SUPPLEMENT TO

# The Calcutta Gazette.

Published by Authority.

SATURDAY, FEBRUARY 15, 1840.

FORT WILLIAM,  
FINANCIAL DEPARTMENT,  
THE 29TH JANUARY, 1840.

The following Rules for the grant of leave of absence and for regulating deductions from Salaries and Deputation Allowances having been approved and passed by the Hon'ble Court of Directors are published for general information, and will take effect in all the Presidencies, Settlements and Stations under the Government of India from the date of the arrival of the *Gazette* containing them in respect to all leaves of absence granted after that date. The notes show the interpretation put by the Council of India upon the rules in their application to cases not specifically mentioned.

*Rules for application for leave of absence and for fixing the local limits within which it may be granted.*

Sec. I. No leave of absence from any Office or Station can be granted, but by the Government of the Presidency under which the employment is held, and in the application of the party requiring such leave, saving in such cases as may hereafter be specially excepted. The application must be made publicly through the regular channel in the Department to which the applicant may belong.

Sec. II. The official allowances of the holder of a Civil Office quitting his Station without leave will entirely cease from the date of his quitting until his return, or in the event of his subsequently obtaining leave to the date of such leave being granted to him.

Sec. III. No leave of absence shall have any retrospective effect except in cases of severe illness, to be attested by Medical Certificate, conforming in every respect to the directions contained in Section V.

Sec. IV. Upon application duly made the Government of each Presidency may grant leave of absence to any place or places in the Continent of India, whether within the Territories subject to the Government of the East India Company, or not to any Civil or Military Servant holding a Civil appointment, subject to all the conditions prescribed in the rules that may be applicable to his case. Upon similar application the Government of each Presidency may also grant leave to such persons subject to the like conditions, to proceed in the Island of St. Helena, the Colony of the Cape of Hope, or to any place situate between the 36th Degree of North Latitude and the 50th Degree of South Latitude, such place being likewise between the 30th and the 180th Degrees of Longitude East of Greenwich, excepting however any Islands in the Mediterranean or Levant, and excepting all places within the said Geographical limits which may form part of Europe. Provided also, that if at any time the Government of India shall deem it expedient to exclude

any place or places within the limits above described from the operation of these rules, such exclusion shall be officially communicated to the subordinate Governments, and all leaves subsequently granted shall be regulated accordingly. A Servant passing the limits herein prescribed will incur the immediate forfeiture of his office or employment, and of all official allowances whatever from the date of his quitting India.

## CHAPTER II.

### *Rules for Sick Leave.*

Sec. V. When an application for leave of absence is made on the ground of ill health it must be accompanied by a Certificate from the Medical Officer by whom the applicant has been attended, distinctly stating from the personal observation the nature of the disease, the symptoms by which it is manifested, the period during which it has existed as far as the knowledge of the Medical Officer extends, and the necessity for temporary removal to some other place either within the Territories subject to the Government of the East India Company or beyond them, but within the limits laid down in Section IV. as the case may be, and such Certificate must be submitted to the consideration of the Medical Board, and if satisfactory shall be countersigned by one of its Members. An application for an extension of leave must, if the applicant be in India, be accompanied by a Certificate from the Medical Officer by whom the applicant is attended, showing sufficient reason for the extension solicited, and such Certificate like the former must be examined and countersigned by a Member of the Medical Board. If the applicant shall have proceeded beyond the Territories under the Government of the East India Company, he must furnish a Certificate to the required effect from a Surgeon or Physician at the place of his temporary residence by whom he has been attended, such attendance and the period of it to be stated, and the Certificate to be countersigned by the principal Medical Authority of the Colony or Country. When any of the required particulars are neglected leave will be refused.

Sec. VI. Civil Servants absent from their Stations under Medical Certificate will be entitled to the Salaries of their respective Offices subject to the following deductions. If the Salary exceed Rupees 2,000 per mensem, one-sixth for the first year and for the second year one-fourth. If the Salary do not exceed Rupees 2,000 per mensem, one-eighth for the first year and one-sixth for the second. But if the Salary of Office be not more than Rupees 500 per mensem no deduction shall be made for the first year, and if it be only so much more than the prescribed deduction of one-eighth would reduce the allowance below Rupees 500 per mensem, only the excess beyond Rupees 500 shall be deducted. For the second year the absentees shall become liable to the deduction of one-eighth. An absent Servant shall in no case retain any office or employment, nor be permitted to draw any portion of Official Salary for a longer period than two years, but a Civil Servant

who may on account of sickness, duly certified, obtain an extension of leave beyond two years will, if below the rank of a Senior Merchant, be allowed to draw the subsistence allowance of a Junior Merchant, and if a Senior Merchant the subsistence allowance of his rank; but if he continue absent in disobedience of an order to return or without sufficient cause shown, that allowance also will be forfeited. The period of absence shall be computed from the date at which the absentee shall quit the limits of the Territories subject to the Presidency to which he may belong, to the date of his return within such limits, or if he shall proceed beyond sea from the date of his embarking at any place or port in India which is not more distant from his Station than the ports of his own Presidency; but if the place to which he shall proceed shall be within the Territories subject to such Presidency, his period of absence shall be computed from the date of his quitting his Station to the date of his return thereto.

Sec. VII. Civil Servants absent on leave on account of sickness, duly certified, if they proceed to England without returning to their Presidency, may as heretofore, apply to be admitted to Furlough by the Hon'ble the Court of Directors, and the Furlough will in such cases take effect from the date of leaving their Presidency, consequently the allowances of office that may have been drawn by themselves or by their Agents after their departure, must in that case be re-adjusted, and the difference refunded.

Sec. VIII. No second leave will be granted to any Civil or Military Servant holding a Civil Appointment who has been absent under the above rules for two years, until three years at the least shall have passed after the date of such Servant's return, but if such a Servant is compelled by sickness again to absent himself from his Station within three years after having been absent under the above rule for less than two years, he will be allowed to complete that period, subject to the limitations and conditions heretofore prescribed, drawing the proportion of Salary allowed for the remaining time as if the leave had been continuous.

Sec. IX. Military Officers employed in the Civil Department and drawing a Civil allowance may obtain leave under Medical Certificate on precisely the same conditions as Civil Servants except as to allowances, such Officers, in common with those holding Staff Situations in the Military Department, will draw the Military Pay and Allowances of their rank while absent on leave under Medical Certificate, in the form and manner prescribed in General Orders in the Military Department, and likewise one-half of the difference between such Allowances and the Civil Pay of the Offices to which they stand appointed.

Sec. X. Civil or Military Servants holding Civil appointments who may desire to avail themselves of the benefit of the Act I. Vic. Cap. 47, and to draw their allowances while absent on account of sickness under the above rules, will be required to give security in such amount and form as may be fixed by the Government for the refund of any excess that may be drawn, either by the Agents at the Presidency or by themselves in case of their proceeding to Europe on Furlough or otherwise coming under retrenchment.

Sec. XI. The Government of each Presidency may grant to Civil or Military Servants holding Civil appointments leave of absence for one month in each year without deduction from the Salaries and Emoluments drawn by such Servants. Such leave however will only be granted when the Government is satisfied that no inconvenience will arise from the departure of the Officer seeking it. No second leave can be granted under this rule until the completion of eleven months from the expiration of the last leave, but Servants not availing themselves of the indulgence in any one year may obtain, under the like conditions, leave of absence for two successive months, to commence at or after the expiration of 22 months from the termination of their

former leave, and if two years elapse without enjoyment of the privilege, leave for three months may in like manner be granted at the expiration of 33 months from the termination of the last preceding leave. But no leave shall be granted under this rule for any period exceeding three months. If an Officer shall not return at the expiration of the period of leave granted him under this rule, he shall, if absent on private affairs, be subjected to the deduction of one-third of his Salary and Allowances for the entire term of absence, and if he shall continue absent for more than one month beyond the term granted, his Office shall become vacant. If his protracted absence be occasioned by sickness, the case must be determined under the Provisions of Chapter II.

Sec. XII. The Government of each Presidency may on sufficient cause being shown, grant to a Civil or Military Officer holding a Civil Office, special leave of absence on private affairs. Provided however that if any Officer to whom such leave shall be granted shall be absent from his Station for any period exceeding that to which under the last rule he may be entitled without deduction, the absentee if a Civil Servant shall for the period in excess draw no more than one-half of his Salary and Allowances, and if a Military Officer only so much of the Salary and Allowances of any Civil Office to which he may stand appointed as added to the Military Pay and Allowances which he may be entitled to draw shall equal one-half of the emoluments of such Civil Office. After an absence of three months (exclusive of any period which may be granted under Sec. XI.) any Office held by the absentee shall become vacant. No second leave under this rule can be granted until after the expiration of five years from the termination of the former leave, and the Government is specially to report each case with all the attendant circumstances to the Court of Directors.

#### CHAPTER IV.

##### *Rules for leave preparatory to embarkation and for joining Stations.*

Sec. XIII. For embarkation to Europe on furlough or with leave under Medical Certificate, or preparatory to retirement from the Service, a Civil or Military Servant holding a Civil appointment may take leave under such of the preceding Rules as may apply to his case. If an Officer desirous of retiring or about to proceed to Europe on furlough, shall not under the previous rules be entitled to any leave of absence, special leave may be granted him for one month if the distance of his Station from the Presidency or the Port at which he shall intend to embark shall not exceed 300 miles—for two months if the distance be more than 300 and less than 600 miles, or if for three months if it shall exceed 600 miles, but such leave can only be granted under Medical Certificate—and the Absentee, if a Civil Servant, shall be subjected to the deduction of one-third of his Salary and Allowances if not more than 2,000 Rupees per month, and of one-half if they exceed that sum. At the expiration of such special leave it may be renewed for one month, subject to the same deductions on satisfactory evidence being produced that the Servant has been prevented leaving India either by severity of illness or by the difficulty of procuring a passage, but no further leave can under any circumstances be granted. A Military Officer holding Civil employment who may obtain special leave under this Rule shall draw only so much of the Salary of his Civil Office as added to his Military Pay and Allowances will equal one-half of his Civil emoluments. If a Civil or Military Servant holding Civil Office who may have obtained leave with the intention of embarking for Europe on Furlough, or retiring from the Service, shall subsequently abandon the intention and return to his Station, his absence will be regulated under such of the Rules in Chapters 2 and 3 as may be applicable.

Sec. XIV. There shall be allowed to Officers appointed to any new Office the periods of one month, two months, or three months for joining accordingly as the distance may not exceed 300 or 600 miles, or be in excess of the last mentioned distances. Officers not joining their Station

*Note.—This rule is only applicable to Civil Servants. Military Officers appointed to Civil Office will draw Salary only from the date of joining as heretofore, the rule in force in respect to Staff Situations being applicable to them.*

within the said periods respectively shall forfeit their Salary for the time delayed in excess of the above periods, and if such excess shall exceed one month, the Office shall be vacated unless otherwise specially ordered by Government.

Sec. XV. Upon the first appointment of any Civil Servant who shall be reported qualified for the Public Service by the Examiners appointed by the Government, to any Civil situation, there shall be allowed for travelling expenses to the Station an allowance at the rate of 8 Annas per mile by the direct Post road according to the Polymetrical Tables of the Post Office, the Bill for which allowance will be passed by the Civil Auditor after the Officer shall have joined the Station: if required in advance an order of the Government shall be necessary.

Sec. XVI. The Salary of Office will be payable from the date only of the Officer joining, but in the case of Junior Civil Servants, the Salary of Assistant will be payable from the date of their being reported qualified for the Public Service, unless forfeited under the preceding rule through delay in joining the Station to which they may be appointed.

Note.—This rule also is only applicable to Civil Servants. Military Servants drawing as in the case of Staff Situations no Civil Salary from the time of leaving one Office till the date of joining the other.

Sec. XVII. In case of a change of office when an Officer is appointed to a higher situation, he shall not draw the higher salary until he joins. For the period occupied in travelling, the Rule No. XIV. regulating the time and distance for joining Station shall be applicable, and the Officer will, for the periods allowed in that rule respectively, draw out of the salary of the office he is about to join a sum equal to that of his previous situation.

CHAPTER V.

"Rules for Deputation Allowances."

Sec. XVIII. The sum of Company's Rupees 52,200 per annum, having been fixed under the orders of the Court of Directors as the Maximum Salary of Civil Office for the Offices of Government under the situation of Member of Council—Civil and Military Servants holding Office in the Political Department, who may draw larger Allowances than this annual sum as a consolidated personal and sumptuary allowance in consideration of the necessary expenses of their position, will in all cases of absence be treated in respect to deductions as drawing only the Allowance thus limited, and the excess above the monthly salary yielded by that annual sum, shall remain as a local addition to the usual Deputation Allowance to be drawn by the Officer performing the duties to meet the necessary expenses of his position.

Note.—This rule will equally apply in case of a Political Resident taking a leave of three months for which in other cases he would suffer no deduction.—The excess above the maximum monthly salary will in that case be enjoyed by the person in charge.

Sec. XIX. Deputation Allowances shall be granted to Civil Servants temporarily performing the duties of an office according to the following scales, and subject to the limitations and conditions hereinafter laid down.

To Civil Servants out of Employ.

Exceeding " 2,400	{ " 275	" 515	

Note.—Military persons acting for other Military persons holding Civil Office, will, as in the case of Staff, draw half the difference between the incumbent Military Allowances, and the consolidated Civil Salary as at present, that is, will draw the amount retrenched from the absence, but when acting for a Civil Servant, they will draw at the rates of this table and under the same rules as Civil Servants.

A Civil Servant acting for another will have no claim to Commission or Fees, where any such sources of emolument exist. These will be regarded as forming part of the income of the Officer to be relieved by the occupant subject to the prescribed deductions. The grant of special Allowances — of Allowances to Commissioners, and other Officers for travelling expenses, and to Officers of Districts or Assistants, when employed on Settlement or special Police Parties, will be regulated by a supplemental set of Rules.

Sec. XX. No Civil Servant temporarily Officiating for another shall draw an amount larger than the entire emoluments of the office in which he is Officiating, and if the amount of the Deputation Allowance according to the prescribed scale added to the permanent emoluments of the Officiating Servant, would exceed the emoluments of the office in which he is temporarily acting, the excess shall not be drawn. But this provision shall not apply to the case of any Officer deputed for special reasons to act in an office of inferior emolument to his own. In cases where an Officer holding two appointments on being deputed to Officiate for another shall be relieved only from one, he shall receive no Deputation Allowance unless the emoluments of the office in which he is deputed to act, exceed the united emoluments of his permanent appointments, and in that case the Deputation Allowance shall be limited to the difference.

Sec. XXI. No Subordinate Officer acting for his Principal or for any other person holding a superior appointment in the same Office or Establishment, at the same Station, shall be entitled to any Deputation Allowance until after the expiration of three months, and then the Allowance is not to be drawn in arrear. But a Servant previously out of employment, or who may be deputed to act from a different Station, shall be entitled to Deputation Allowance from the date at which he may enter upon the discharge of the duties to which he has been temporarily appointed.

Sec. XXII. A Civil Servant out of employment, if deputed to act at a distance and Civil Servants having permanent employment, who may be so deputed and who may be restricted by any provision in these rules to the allowance of their own office, shall be permitted to draw travelling allowances at the rate sanctioned in the case of a first appointment. When the entire sum received as Deputation Allowance may fall short of that which, according to the distance would be allowed for travelling expenses, the difference may be drawn. In all cases of absence under Medical Certificate, and in cases of absence on private affairs, when the absent Officer shall not be subject to deduction, such payments shall be made at the charge of the Government.

CHAPTER VI.

"Rules for Chaplains and Assistant Chaplains."

Sec. XXIII. Chaplains and Assistant Chaplains may under Medical Certificate obtain leave of absence subject to all the deductions, conditions and limitations prescribed in the case of Civil Servants, but no Chaplain or Assistant Chaplain can be permitted to

draw any allowance, when his period of absence shall have exceeded two years.

Sec. XXIV. The Government of each Presidency may grant to Chaplains and Assistant Chaplains special leave of absence on private affairs, but if such absence shall exceed the period to which the Absentee may be entitled under the following Rule, they shall for the period in excess be subjected to the deduction of one-half of their Allowances, and after an absence of six months (in addition to any leave granted under the succeeding Rule) all Allowances shall be discontinued.

Sec. XXV. Leave of absence for one month in each year, or for two or three months as the case may be, under the principle sanctioned in Sec. XI, may be granted to Chaplains or Assistant Chaplains by the Bishop of the Diocese, or when the Diocese may be vacant (but not otherwise) by the Archdeacon or other Ecclesiastical functionary performing the duties of an Archdeacon or Commissary; and such leave being consistent with the rule will be recognized by the Civil Auditor after it has been published in the *Government Gazette* of the Presidency with the authority of Government. Information of every leave so granted by the Bishop or other Ecclesiastical Officer above mentioned, shall be immediately transmitted to the proper Secretary to Government for the purpose of notification in the *Gazette*.

Sec. XXVI. For embarkation on furlough, or sick leave, or with the intention of retiring from the Service, Chaplains and Assistant Chaplains are entitled to the

benefits of Sec. XIII. on the same conditions on which they are enjoyed by Civil Servants.

Sec. XXVII. On joining a Station in the interior after arrival in India, a Chaplain or Assistant Chaplain will be allowed the same rate of travelling charges, and be subjected to the same rules in respect to joining his Station as a Civil Servant. On any subsequent transfer from one Station to another, the same allowance will be made if the transfer take place not at the desire of the Chaplain removed, but by order of Government.

#### *Officers of the Assay Department.*

Sec. XXVIII. The Assay Master and Deputy or Assistant Assay Master of any Mint in India may obtain leave of absence under Sick Certificate, or on private affairs, subject to the conditions in the Rules forming Chapters I. to V. The Absentee if in the enjoyment of any Military Pay or Allowance will, during his absence, be subject to the deductions prescribed in the case of Military Officers holding Civil employments. If not a Military Officer, the Absentee will be subject to the same deductions as a Civil Servant under similar circumstances, but no Officer of the Assay Department can be permitted to draw any portion of Salary for a longer period than two years if absent under Sick Certificate, nor for a longer period than three months (exclusive of any period granted under Sec. XI) if absent on private affairs.

SECOND SUPPLEMENT TO  
**The Calcutta Gazette.**

Published by Authority.

SATURDAY, FEBRUARY 15, 1840.

FORT WILLIAM,

POLITICAL DEPARTMENT, 15th FEB. 1840.

The Right Hon'ble the Governor General of India in Council is pleased to direct, that the subjoined Extracts from a Despatch from Major General Sir W. Cotton, K. C. B. and K. C. H., dated the 22d ultimo, and its enclosure, the report of Lieut.-Col. Orchard, C. B., of the result of an attack made on the 18th ultimo, by the Detachment under his Command on the fortress of Peshoot, shall be published for general information.

I had the honor to acquaint your Lordship in my despatch of the 10th instant, that in consequence of a requisition from the Envoy and Minister, I had detached Lieut.-Col. Orchard,

- 3 9-Pounders.
- 1 Troop 2d Cavalry.
- 1 Wing 39th N. I.
- 80 European Regt.
- 20 Sappers.
- A Regt. Shah's Infy.
- 1 Regt. Shah's Cavalry,
- 700 strong under C. N. Christie.

C. B., of the European Regiment, with the force named in the margin, to reduce the fortress of Peshoot, distant about 50 miles from hence N. N. East, and endeavour to capture or dislodge a refractory Chief, who had, with a body of armed followers, established himself therein.

I beg leave to forward for your Lordship's perusal a despatch I yesterday received from Lieut. Col. Orchard, by which I am sorry to observe, that notwithstanding a long and steady attack upon the Gateway, which was represented to the Lieut. Col. as the only assailable point, yet owing to the inclemency of the weather, (though the outer Gate was demolished by the fire of the nine Pounders, and the bags of powder were twice laid against the inner one,) yet from the heavy rain they totally failed in the object required, and the troops were obliged to be recalled by the Lieut. Col., who I regret to state suffered a severe loss, having, as the accompanying return exhibits, had 65 killed and wounded; and amongst the latter Lieut. Collinson of the 57th, and Hick, European Regt. The arrangements as reported to me that were made by the Lieut. Col. appear to have been judicious, and in my opinion would have been entirely successful, had it not been for the heavy rain which prevented the powder from having had its proper effect against the 2d Gateway.

The Lieutenant Colonel speaks, I am happy to say, in the highest terms of the conduct of the Officers and men on this trying occasion, and their gallantry and steadiness appear to me to deserve the highest commendation.

Although the attack was unfortunately not successful against the Gate, yet the effect showed itself by the enemy evacuating the Fort of Peshoot, and also that of Kelake on the other side of the river, a short time after the troops had retired.

(Copy) *Camp Peshoot, 19th Jan. 1840.*

TO CAPTAIN DOUGLAS,

*Assistant Adjutant General Army of the Indus.*

SIR,—I have the honor to report for the information of the Major General Commanding in Afghanistan, that on the afternoon of the 17th, the rain having ceased, and with every expectation of favorable weather for commencing operations, I issued the necessary Orders to the Detachment for attacking, on the following morning, the Fort of Peshoot, and as it was advisable that Captain Abbott should have his Guns into Battery and the Infantry be in the best position they could occupy before day-break, we left camp at half-past 4 A. M. As soon as Captain Abbott could distinguish the Gate, he opened the Battery against it, and after firing for nearly two hours, succeeded in making a practicable breach on each side of the Gate; when Lieutenant Pigou, with a party of 15 men of the European Detachment and 25 Sepoys of the 37th advanced, pushed down the Gate and proceeded to examine the inner one.

The Bugler with the party observing them going forward sounded the advance, (without order) which caused the storming party and column to immediately move down towards the breach, but Lieutenant Pigou having ascertained that the inner gateway was closed, ran back, and directed them to get under cover from the enemy's fire, which was easily accomplished among the numerous Ravines close to the Fort.

Lieutenant Pigou then returned and applied the powder to blow open the gate, but as it had rained without intermission from about half an hour after commencing the attack, from the damp state it was in, the very inferior quality of it being powder of this Country, it unfortunately failed.

As from the situation of the Gate, and from the nature of the ground surrounding the Fort, it was found impracticable to bring a Gun to bear on it, Lieutenant Pigou suggested that another trial should be made to blow it open, and a sufficient quantity of powder, nearly 100lbs., having been procured from Captain Abbott, the attempt was made, but I regret to say it also failed.

As it still continued to rain heavily, the Troops had been exposed to a severe fire for several hours, Captain Abbott having expended nearly the whole of his

ammunition and every possible means adopted towards gaining an entrance into the Fort having failed of success, I determined at half-past 11 A. M. on withdrawing the Troops from before the Fort until the weather cleared up, and certain measures could be taken to ensure success.

Our failure, however, I am happy to say has proved as good as having gained possession of the Fort, for a short time after we retired, the enemy evacuated the Fort of Pushoot, as well as that of Khatke on the opposite bank of the River, both of which are now in our possession, but I am sorry to say there is nothing in either Fort but a small quantity of Grain, and about 100 lbs. of Powder.

I lament to say our loss has been rather severe, (a Return of which is enclosed) which was mainly caused by want of means to reduce a place of such strength.

To Lieutenant Pigou the highest praise is due for the gallant and meritorious manner in which he three times advanced to the inner Gate under a heavy fire from the enemy, and laid the Powder to blow it open, the failure of which can only be attributed to the causes already explained—to the Party who accompanied him, under the Command of Ensign Pattule, the greatest credit is also due for the manner in which they kept in check the enemy's side.

To Captain Abbott the highest praise is also due for the manner in which he has conducted the arduous duties devolving upon him, as well as the great service rendered by him yesterday. I also beg to bring to the notice of the Major General the conspicuous gallantry of Lieutenant Tytler, who accompanied Lieut. Pigou on both occasions of bringing the powder, and throughout the day rendered me every assistance; I am also highly indebted to him for the manner in which he has conducted every duty required of him as Assistant Quarter Master General since leaving Jellalabad.

I have much pleasure in bringing to the notice of the Major General the great assistance I have on all occasions received from Lieutenant Pond, whom I appointed as Detachment Staff.

The highest praise is also due to every Officer and man composing the Detachment who have cheerfully borne up against every privation and hardship; and the coolness, gallantry, and ambition of each individual displayed yesterday morning, elicits my warmest thanks and approbation.

In noticing the names of Officers to whom I am indebted for assistance during this expedition, I have omitted to mention that of Lieutenant Dallas, of the Commissariat Department, who has on all occasions proved himself a most zealous Officer in procuring supplies whenever there was any possibility of obtaining them, and also rendering me every assistance during the attack yesterday.

### POST OFFICE NOTICE.

**NOTICE**—Under the Orders of the Hon'ble the President in Council, from and after the 15th of the ensuing month of January, there will be a second despatch, daily, from Calcutta to Khamrah, six stages in advance of Berhampore; as, also, a second daily despatch thence to Calcutta. The ordinary Mail, from Calcutta, as at present, will go out at 8 A. M. The other daily despatch will be sent off at noon.

Barrackpore	Jehanagore	The mid-day despatch will convey letters, newspapers, &c. for the stations noted in the margin, thus giving them an advantage of 8 hours over the night Mail. The hour most suitable for despatching the second daily Mail from Khamrah will be fixed by the local Post Master, so that, similar convenience may be afforded to the Public, by a saving of 12 hours, more or less, in the arrival of letters, &c. in Calcutta from the stations specified.
Scrampore	Patooler	
Chandernagore	Cutwall	
Hughly	Meral	
Noiserai	Berhampore	
Digrah	Jaugunge	
Santipore	Bogowangulah	
Nuddea	Jumypore	
Calnah	Khamrah	

It has not been found expedient to extend the double despatch on this line of Dawk route, beyond Khamrah, as the great increase of expense for the maintenance of the additional establishment which would thus be required, would not be compensated for by the advantage likely to be gained.

Arrangements are making for adopting a similar double-despatch, along the whole line of Dawk route, from Calcutta to Kurnaul, which will, probably, be brought into operation by the 1st of February next; but of which, further notice will be given, hereafter.

Letters for the stations specified which may be intended for transmission by the mid-day Mails, must be delivered at the General Post Office between the hours of 10 and 11½ A. M.

It being understood that Public Officers, in ignorance of the existence and nature of the Orphan Press Contract with Government, occasionally employ other Presses to the prejudice of the Orphan Institution, the General Management deem it expedient to publish, for general information, the following extract of a Letter from Mr. Secretary Prinsep, showing that the Orphan Press has the exclusive privilege of Printing for Government.

" I am directed to acknowledge the receipt of your letter of the 6th instant, and in reply to state that it is by no means the intention of the Government to withdraw any part of its printing business from the Orphan School Establishment, or to allow Public Officers to give a preference to other Presses. On the contrary, the Vice President in Council has declared his readiness to enquire into every case in which other Establishments may be employed to the prejudice of the interests of the Orphan School, whenever such may fall under his notice or be made the subject of representation.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Government, or Authorized Agents of the East India Company, an Advance not exceeding three-fifths of such ascertained value will be made.

The rate of Exchange to be determined from time to time at the place where the Advance is made under the Court's orders.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium,\* Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills

The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of repaying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England; and in cases where interest shall have accrued, such interest shall be computed at the rate or rates per cent, at which the Company have allowed Discount during the period for which such interest is chargeable.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Di-

rectors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payments of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

*Extract of a Despatch from the Hon'ble the Court of Directors in the Financial Department, dated the 17th August, No. 13 of 1838.*

## POST OFFICE NOTICE.

NOTICE.—Under the Orders of the Hon'ble the President in Council, from and after the 15th of the ensuing month of January, there will be a second despatch, daily, from Calcutta to Khamrah, six stages in advance of Rerhampore; and also, a second daily despatch thence to Calcutta. The ordinary Mail, from Calcutta, as at present, will go out at 8 p. m. The other daily despatch will be sent off at noon.

Barrackpore	Jehanagore	The mid day despatch will convey letters, newspapers, &c. for the stations noted in the margin, thus giving them an advantage of 8 hours over the night Mail.
Serampore	Patanlee	
Chanderangore	Cutwah	
Houghly	Meral	
Noisera	Rerhampore	
Dighah	Jongunge	
Santipore	Bogowangulah	The hour most suitable for despatching the second daily Mail from Khamrah will be fixed by the local Post Master, so that, similar convenience may be afforded to the Public, by a saving of 12 hours, more or less, in the arrival of letters, &c. in Calcutta from the stations specified.
Nuddea	Jungypore	
Calnah	Khamrah	

It has not been found expedient to extend the double despatch on this line of Dawk route, beyond Khamrah, as the great increase of expense for the maintenance of the additional establishment which would thus be required, would not be compensated for by the advantage likely to be gained.

Arrangements are making for adopting a similar double-despatch, along the whole line of Dawk route, from Calcutta to Kurnaul, which will, probably, be brought into operation by the 1st of February next; but of which, further notice will be given, hereafter.

Letters for the stations specified which may be intended for transmission by the mid-day Mails, must be delivered at the General Post Office between the hours of 10 and 11½ A. M.

## FORT WILLIAM, LEGISLATIVE DEPARTMENT.

THE 17TH FEBRUARY, 1840.

The following Act passed by the Right Hon'ble the Governor General of India in Council on the 17th February 1840, is hereby promulgated for general information.

Act No. III. of 1840.

### *For the Incorporation of a Bank at Bombay.*

Whereas the Hon'ble Court of Directors of the East India Company, by and with the approbation of the Board of Commissioners for the affairs of India, have sanctioned the Establishment of a Bank at Bombay on the same principles as were prescribed for and have been observed in the re-incorporation of the Bank of Bengal, by Act No. VI. of 1839: and whereas the said Court of Directors have directed the body of Proprietors in existence at the date of the dispatch which contained the said sanction for the incorporation of a Bank at Bombay to be the Proprietors in whose favor the Act of incorporation is to be passed:—

It is therefore hereby enacted, that from the 1st day of April next ensuing, in the year of our Lord 1840, the persons whose names are included in the Schedule herunto annexed, provided that they, with the Government of Bombay on the part of the East India Company, have paid up the amount of Capital Stock subscribed by them respectively, or such of them as have so paid up their subscriptions shall, together with the Governor in Council for the time being of the Island and Presidency of Bombay, be a corporation, body corporate and politic, by name of the Bank of Bombay, with perpetual succession to them and their successors as Proprietors for the time being of the said Bank as hereafter mentioned and provided, and shall possess and enjoy all the rights, privileges, and immunities incident by law to a corporation aggregate.

Provided however that it shall be lawful for the Governor General of India in Council at any time before the 1st May next to rectify any errors in the Schedule of the said Proprietors by notice in the Official Gazettes of Calcutta and Bombay, so that no alteration be made in the principles upon which such Schedule has been framed.

II. And it is hereby enacted, that the Capital Stock of the Bank of Bombay shall in amount not be less than Fifty Lakhs of Rupees, nor unless increased as hereinafter provided more than Fifty-six Lakhs, whereof Three Lakhs of Rupees shall be the property of the Governor in Council of Bombay, and the persons whose names are in the Schedule herunto annexed, shall, provided that the amount of Stock subscribed for by them, be paid up on or before the 1st April next, be Proprietors of the Shares of the said Capital Stock set against their names respectively, together with any further persons whose claims shall be admitted before the 1st May next, on their paying up the Stock to which they may be so admitted upon or before the said 1st May next. And if any of the Proprietors named in the said Schedule shall not have

duly paid up in full the amount of Capital Stock to which he or they are entitled, the shares of such Stock that may be so unpaid, (provided that the total amount that may so lapse do not reduce the Capital Stock of the Bank below the sum of Fifty Lakhs of Rupees,) shall be cancelled. And if the lapsed shares cause the aggregate of the Capital Stock to be less than Fifty Lakhs of Rupees, then so much Stock as may be necessary to complete that sum, shall be sold by Public Auction in Lots of One Thousand Rupees, on such date not being later than the First of May next, as may be fixed by the Governor in Council of Bombay, and the amount realized at such sale, after making good the Capital Stock, shall be passed to credit as a profit at the disposal of the Bank.

III. And it is hereby enacted, that it shall be in the power of the Governor General of India in Council, from time to time, by an order duly published in the Government Gazettes of Calcutta and of Bombay, to authorise the said Capital Stock to be increased, and to make such order and direction for the opening of subscriptions towards such increase of Capital, as to him may seem fit, giving due notice thereof to the Proprietors of the said Bank for the time being, and allowing to them a period of not less than twelve months to fill up such subscription themselves, and likewise to prescribe in what manner and form the Proprietors shall subscribe and pay into the said Bank the proportion of new Stock to which they may respectively be entitled; and also to make such order and direction as to him the said Governor General in Council may seem fit, for the disposal of the amount of new Stock that may not be subscribed for, and paid up by the Proprietors in the manner and form that may be so prescribed.

IV. And it is hereby enacted, that the Capital Stock of the Bank of Bombay shall be divided into shares of 1,000 Rs. each, which shall be numbered accordingly and three hundred of the said shares numbered from No. 1 to 300 shall be the property of the Governor in Council of Bombay, and the remainder shall be the property of the Proprietors who may pay up the same, and no separate interest or share in the Stock of the said Bank of less amount than 1,000 Rs. shall be created or held by any Proprietor, and if at any time the Capital of the said Bank shall be increased, the new Stock added thereto shall in like manner be divided into shares of 1,000 Rupees each, and no Proprietor shall be entitled to claim a share of such new Stock of less amount than One Thousand Rupees.

V. And it is hereby enacted, that on the said 1st day of April 1840, or on some early day after that date, the Governor in Council of Bombay shall notify in the Official Gazette of that Presidency, that the Government share of the Capital Stock of the Bank of Bombay has been paid up, and shall publish in the said Gazette a list of the Proprietors by whom the shares of the said Capital Stock subscribed for by them respectively have been paid, and the Bank of Bombay being incorporated as above provided, shall from the date of such notification be opened

for the transaction of all manner of business authorized by this Act; and the said Bank shall and may sue, and be sued, by its Corporate name, and shall and may use such common Seal as the Directors of the said Bank shall from time to time appoint, and shall be competent to acquire and hold, either absolutely or conditionally, for a term or in perpetuity, any description of property whatever, and to transfer and convey the same.

VI. And it is hereby enacted, that payment of the amount of subscriptions to the Capital Stock shall be made to the Sub-Treasurer of the Government of Bombay for the time being, who will grant receipts for the same, and hold the amount as a deposit in the Treasury until the publication by the Governor in Council of Bombay of the notification prescribed in Sec. V of this Act, when he will deliver the amount so subscribed to the Directors of the Bank to be appointed as hereinafter provided.

VII. And it is hereby enacted, that after the said delivery of the amount of Capital Stock to the Directors of the Bank, the receipts granted by the Sub-Treasurer of the Government of Bombay, in the manner provided in Sec. VI of this Act, shall be cancelled, and a certificate, signed by three Directors of the Bank of Bombay, shall be delivered to each Proprietor, and any person who is a Proprietor of more than one share of the Capital Stock may at his option demand a certificate for each of his shares or one certificate for all his shares, or several certificates, each of which may be for any number of his shares.

VIII. And it is hereby enacted, that no Proprietor shall be allowed to increase his share in the Capital Stock of the said Bank beyond the amount of One Lakh and Sixty Thousand Rupees, excepting on occasion of any increase being made to the Capital Stock of the said Bank under the authority of the Governor General in Council, in the manner prescribed in Sec. III of this Act; in which case any Proprietor holding Stock to the full amount of One Lakh and Sixty Thousand Rupees shall notwithstanding be entitled to subscribe to the increased Capital Stock in a rateable proportion, and excepting any addition to his interest in the said Capital Stock arises from succession, bequest or marriage.

IX. And it is hereby enacted, that the said share or shares of the Capital Stock of the said Bank shall be of the nature of personal estate of the Proprietors thereof respectively, and that the same shall be transferable by endorsement to be made on the certificates thereof respectively, under the hand of the Proprietor or Proprietors, or his, her, or their Attorney duly authorized, which endorsement shall specify the name of the person or persons to whom the said transfer shall be made; provided that no such endorsement shall be effectual to transfer any such share or shares until such endorsement shall have been registered at the Bank of Bombay and such registration shall have been noted on such endorsement under the hand of an Officer appointed for that purpose by the Directors of the said Bank.

X. And it is hereby enacted, that the said Corporate body of the Bank of Bombay, shall consist and be composed of the Registered Proprietors for the time being of the said shares of the Capital Stock of the said Bank and of no other person or persons whatsoever.

XI. And it is hereby enacted, that the business of the said Bank shall be managed by nine Directors, of whom three shall be appointed and removable by the Governor in Council of Bombay and the remaining six shall be elected by the General Meeting of the Proprietors of the said Bank, and shall be removable by vote of the majority of a General Meeting of the said Proprietors.

XII. And it is hereby enacted, that the first Directors of the said Bank of Bombay shall be such three persons as may be appointed by the Governor in Council of Bombay to be Directors of the Bank, together with six persons of those whose names are inserted in the Schedule, annexed to this Act, and who, being entitled to not less than twelve shares or 12,000 Rs. of the Capital Stock of the said Bank, shall be elected at a General Meeting of the persons whose names are inserted in the said Schedule, to be held in the Town Hall of Bombay, at such time as the Governor in Council of Bombay may fix by public Notification in the Official Gazette of that Presidency; and the election shall be made by the persons who according to the Schedule hereunto annexed may be entitled to shares of the Capital Stock

of the Bank, and the said persons shall vote at such election in person or by proxy according to the quantity of Stock respectively held by them, as if they were Proprietors to all intents and purposes of the shares for which they are entitled to subscribe, and the Directors so appointed shall appoint Officers, and take all necessary steps for opening the Bank when this Act shall take effect for its incorporation; and the rotation amongst the six Directors first appointed under the next preceding Section, shall be established according to the number of votes; the two Directors elected by the lowest votes first vacating, and the next two in the year following, and so in succession in the third year.

XIII. And it is hereby enacted, that two of the six Directors elected as provided in Section XII, and to be elected by the Proprietors, shall in rotation go out of office on the second Monday in the month of December in every year, on which day in every year a General Meeting of Proprietors shall be held for the election of two Directors in their stead; provided always that any Director going out by rotation as aforesaid may not be re-elected at the election which takes place thereupon.

XIV. And it is hereby enacted, that in case of the death, resignation, or absence from Bombay for more than three months, or disqualification under Section XV, or removal as aforesaid of any Directors elected as provided in Section XII, or to be elected by the Proprietors after the incorporation of the Bank of Bombay, the Directors shall call a General Meeting of the Proprietors, to be held within fifteen days of the day of notice, for the purpose of choosing a successor, and such successor shall come into the same place in rotation above mentioned in which the late Director was.

XV. And it is hereby enacted, that no person shall be capable of serving as a Director by election of the Proprietors who shall not be Proprietor in his own right and unincumbered of twelve shares or 12,000 Rs. of the Capital Stock of the Bank of Bombay, or who shall be a Director of any other Bank issuing notes payable on demand within the Town or Island of Bombay.

XXVII. And it is hereby enacted, that the Directors of the said Bank of Bombay shall not discount any negotiable Securities which shall have a longer period to run than three months, or lend any money for a longer period than three months, and that they shall make no loan or advance on any Bank Share or Certificate of Shares, nor on Mortgage, or in any other manner on the Security of any Lands, Houses, or immovable property, nor on any negotiable Security of any individual or partnership firm, which shall not carry on it the several responsibilities of at least two persons or Firms unconnected with each other in general partnership, nor be in advance at one and the same time to any individual, or partnership firm, either by way of discount, loan, or in any other manner,—(saving by loans upon the deposit of Government Securities, or Goods not perishable as hereinafter mentioned,) beyond the amount of Three Lakhs of Company's Rupees; Provided always that the advances upon Bills of Exchange accepted by the Government or upon

XXIX. And it is hereby enacted, that the said Bank shall not be at any time in advance to the Government more than Seven Lakhs and a Half of Company's Rupees, provided always that the holding of Government Securities, or of Bills of Exchange drawn upon the Government, or of other Government Acceptances or Obligations derived to the said Bank from individuals, and not overdue, or subscribed and paid for by the Bank, shall not be construed as being in advance to the Government within the meaning of this clause.

XXX. And it is hereby enacted, that the Directors of the said Bank of Bombay shall not suffer any person or persons, or body corporate keeping Cash with the said Bank of Bombay, to overdraw his, her, or their account.

XXXI. XXXII. And it is hereby enacted, that it shall not be lawful for the said Bank to make, issue, or negotiate any Note, Bill or other instrument containing any promise, undertaking, or order, for the payment of money elsewhere than within the limits of India.

XXXV. And it is hereby enacted, that an account of the profits of the said Bank shall be taken half-yearly on the 1st day of January and the 1st day of July in every year, and that a dividend thereof shall be made so soon thereafter as conveniently may be, and that the amount of such dividend shall be determined by the Directors of the said Bank, on the ground of the actual profits made by the said Bank during the six calendar months preceding the day up to which such half-yearly account shall be taken; provided that such reasonable expenses as have been incurred in procuring this Act of Incorporation shall, upon being audited and admitted by the said Directors, be paid out of the funds of the Bank as soon as it is opened for business, and that the amount so paid shall be defrayed out of the future profits of the Bank at the discretion of the Directors; and provided that the said Directors shall have power, when they see fit, to set apart from such profits, a sum not exceeding five per cent. on the Capital Stock of the Bank as a reserve against contingencies.

XXXVI. And it is hereby enacted, that on the first Monday of the month of August in every year, a General Meeting of the Proprietors of the Capital Stock of the said Bank shall be held, at which the Directors of the said Bank shall submit to the said Proprietors a Statement of the affairs of the said Bank made up to the preceding 30th of June, and such General Meeting shall be competent to pass resolutions and frame rules and directions relative to the

XXXVIII. And it is hereby enacted, that it shall be lawful for the Bank of Bombay, with the sanction of the Governor in Council of Bombay, to establish Branch Banks at such places, and under such rules and restrictions, as shall be determined by the Proprietors at their General Meetings; provided however that such Branch Banks when so established, besides being subject to the rules and restrictions that may be imposed by the Proprietors, and to the control and orders of the Directors of the Bank of Bombay, shall be bound by the same rules as to the description of business in which they are to engage, and the manner of conducting such business, and likewise in respect to the issue of Notes payable on demand, and the retention of cash to meet the same, and in all transactions and matters herein above referred to, as are prescribed for the Bank of Bombay by this Act.

XXXIX. And it is further enacted, that if any of the said Proprietors shall become indebted to the said Bank, it shall be lawful for the said Bank to withhold payment of the dividends on the Share or Shares of such Proprietor registered as his or her own property, and not as held in trust, or as Executor or Administrator, until payment of such debt, and to apply such dividends towards payment thereof, and that after demand and default of payment, and notice in that behalf given, either to such Proprietor, or his or her constituted Agent, or by public advertisement in the Official Gazette, it shall be lawful for the said Bank to refuse registration of the transfer of any such share or shares of such Proprietor until payment of such debt; and if the same shall remain unpaid for the space of six months after such notice, to advertise for public sale, and to sell such share or shares, or so many as may be necessary, and to apply the proceeds thereof towards payment of such debt, with interest at the rate of six per cent. per annum, paying over the surplus, if any, to such Proprietor, or his or her lawful representative.

XL. And it is further enacted, that the said Bank shall continue as hereby constituted until the 1st day of April which will be in the year of our Lord 1847, and shall thereafter continue in like manner until duly dissolved or modified; provided however, that after the said 1st day of April 1847, the said Bank shall not, except upon the application or by the consent of the said Bank, be dissolved, or anywise modified, without previous notice of twelve months at the least being given to the Directors of the said Bank for the time being, of such intended dissolution or modification. T. H. NADDOCK,  
*Secy. to the Govt. of India.*

FORT WILLIAM,  
LEGISLATIVE DEPARTMENT,  
THE 17TH FEBRUARY, 1840.

The following Act passed by the Right Hon'ble the Governor General of India in Council, on the 17th of February 1840, is hereby promulgated for general information.

Act No. IV. of 1840.

An Act for preventing Affrays concerning the possession of Land, and for providing relief in cases of forcible dispossession, within the Presidency of Fort William in Bengal.

I. Whereas it is expedient to remove doubts which have arisen upon the interpretation of Regulation XV of 1824, and to amend the Law for preventing Affrays concerning the possession of Land, and for giving relief in cases of forcible dispossession, and to extend it to cases not hitherto provided for, and to make it applicable to persons of every class or description, whether British-born subjects or others;

It is hereby enacted, that Regulation XLIX of 1793, Regulation XIV of 1795, Regulation XXXII of 1803, Section 5, Regulation VI of 1813, Regulation XV of 1824, and Regulation II of 1829, of the Bengal Code, together with so much of any Regulations as extends

any of the above Regulations or parts of Regulations to any places within the Presidency of Fort William in Bengal, be repealed.

II. And it is hereby enacted, that whenever any Magistrate or other Officer exercising the powers of a Magistrate may be certified that a dispute likely to induce a breach of the peace exists concerning any Land, Premises, Water, Fisheries, Crops, or other produce of land, within the limits of his jurisdiction, he shall record a proceeding, stating the grounds of his being so certified, and shall call on all parties concerned in such dispute (whether Proprietors, dependent Talookdars, Farmers, under-Farmers, Ryots or other persons) to attend his Court in person, or by agent, within a reasonable time, and to give in a written statement of their respective claims as respects the fact of actual possession of the subject of dispute. And the Magistrate or other Officer as aforesaid shall, without reference to the merits of the claims of any party to a right of possession, proceed to enquire what party was in possession of the subject of dispute when the dispute arose, and after satisfying himself upon that point, shall record a proceeding declaring the party whom he may decide to have been in such possession to be entitled to retain possession, until ousted by due course of Law, and forbidding all disturbance of possession until such time; and if necessary the Magistrate or other Officer as aforesaid shall put such party into possession, and maintain him in possession, until the rights of the parties disputing be determined by a competent Court.

III. And it is hereby enacted, that if the Magistrate or other Officer as aforesaid shall, in the cases mentioned in Section II of this Act, be unable to satisfy himself as to what party was in possession of the subject of dispute when the dispute arose, he may attach the subject of dispute until the rights of the parties be determined by a competent Court, giving the Collector information of the attachment; and if the subject of dispute be Land, the provisions of Regulation V of 1827 regarding attachment by order of a Zillah or City Court shall apply to attachments by order of a Magistrate or other Officer as aforesaid made under this Section.

IV. And it is hereby enacted, that if any party shall complain to a Magistrate or other Officer as aforesaid, that he has been without authority of Law forcibly dispossessed of any Land, Premises, Water, Fisheries, Crops, or other produce of Land within the jurisdiction of such Magistrate or other Officer as aforesaid, whether the same were possessed by such party as Proprietor, dependent Talookdar, Farmer, Under-Farmer, Ryot or otherwise, the Magistrate or other Officer as aforesaid shall require the party or parties complained against, and any other parties concerned, to appear and make defence in person or by agent within a reasonable time; and if, after the examination of the necessary witnesses and documents, the complaint appears to him to be substantiated, he shall record a proceeding, ordering the party complaining to be put again into possession of the subject of dispute, and maintained in possession until the right to possession be determined by a competent Court; provided that no such order shall be passed unless the party complaining of having been so dispossessed prefer his claim within one month from the time of such dispossession.

V. And it is hereby enacted, that if, in cases intimated under this Act, the subject of dispute be newly formed Land, whereof it shall appear to the Magistrate or other Officer as aforesaid that no party has ever had possession, the Magistrate or other Officer as aforesaid shall award possession to the party to whom the right of possession belongs according to law or custom, and shall maintain that party in possession until the right to possession be determined by a competent Court.

VI. And it is hereby enacted, that if a dispute arises concerning the right of use of any Land or Water, the Magistrate or other Officer as aforesaid within whose jurisdiction the subject of dispute lies may enquire into the matter, and if it shall appear to him that the subject of dispute was open to the use of the public, or of any person, or of any class of persons, the said Magistrate or other Officer may order that possession thereof shall not be taken or retained by any party to the exclusion of the public, or of such person, or of such class of persons, as the case may be, until the party claiming such possession shall obtain the decision of a competent Court adjudging him to be entitled to such exclusive possession. Provided that the Magistrate or other Officer as aforesaid shall not pass any

such order as aforesaid, if the matter be such that the right of use is capable of being exercised at all times of the year, unless that right shall have been ordinarily exercised within three months from the date of the institution of the enquiry, or in cases where the right of use exists at particular seasons, unless such right has been exercised without discontinuance before the dispossession of which complaint is made.

VII. And it is hereby enacted, that any person opposing by force the execution of an order for possession or use, given under this Act, or refusing obedience thereto, or knowingly contravening the same, as long as it shall remain in legal force, shall, together with all persons aiding and abetting, be liable, on conviction before a Magistrate or other Officer with the powers of a Magistrate, to be sentenced to simple imprisonment for a term not exceeding six months, or to fine not exceeding two hundred rupees, commutable if not paid to a period of simple imprisonment not exceeding six months, or to both imprisonment and fine as aforesaid.

VIII. And it is hereby enacted, that all orders passed under this Act shall be appealable in the usual manner under the Regulations and Laws that are or

may be in force relating to appeals from the orders of Magistrates or other Officers exercising the powers of Magistrates.

IX. And it is hereby enacted, that in cases instituted under this Act the Magistrate or other Officer as aforesaid is authorised, with the consent of all the parties, to refer the matter in dispute, so far as it is cognisable under this Act, to an arbitrator or arbitrators for decision, whose award shall be executed as if it were the award of such Magistrate or other Officer as aforesaid.

X. And it is hereby provided that nothing in this Act contained shall affect the legal exercise of any right of attachment or seizure vested by law in any parties.

XI. And it is hereby further provided, that this Act shall not extend to any place beyond the limits of the Presidency of Port William in Bengal, or to the Settlements of Prince of Wales' Island, Singapore, or Malacca, or to any place situated within the local limits of the jurisdiction of Her Majesty's Supreme Court at Calcutta.

FORT WILLIAM,  
LEGISLATIVE DEPARTMENT,  
THE 17TH FEBRUARY, 1840.

The following Act passed by the Right Hon'ble the Governor General of India in Council on the 17th February 1840, is hereby promulgated for general information.

ACT No. III. of 1840.

*For the Incorporation of a Bank at Bombay.*

Whereas the Hon'ble Court of Directors of the East India Company, by and with the approbation of the Board of Commissioners for the affairs of India, have sanctioned the Establishment of a Bank at Bombay on the same principles as were prescribed for and have been observed in the re-incorporation of the Bank of Bengal, by Act No. VI. of 1839; and whereas the said Court of Directors have directed the body of Proprietors in existence at the date of the dispatch which contained the said sanction for the incorporation of a Bank at Bombay to be the Proprietors in whose favor the Act of incorporation is to be passed:—

It is therefore hereby enacted, that from the 1st day of April next ensuing, in the year of our Lord 1840, the persons whose names are included in the Schedule herewith annexed, provided that they, with the Government of Bombay on the part of the East India Company, have paid up the amount of Capital Stock subscribed by them respectively, or such of them as have so paid up their subscriptions shall, together with the Governor in Council for the time being of the Island and Presidency of Bombay, be a corporation, body corporate and politic, by name of the Bank of Bombay, with perpetual succession to them and their successors as Proprietors for the time being of the said Bank as hereafter mentioned and provided, and shall possess and enjoy all the rights, privileges, and immunities incident by law to a corporation aggregate.

Provided however that it shall be lawful for the Governor General of India in Council at any time before the 1st May next to rectify any errors in the Schedule of the said Proprietors by notice in the Official Gazettes of Calcutta and Bombay, so that no alteration be made in the principles upon which such Schedule has been framed.

II. And it is hereby enacted, that the Capital Stock of the Bank of Bombay shall in amount not be less than Fifty Lakhs of Rupees, nor unless increased as hereinafter provided more than Fifty-six Lakhs, whereof Three Lakhs of Rupees shall be the property of the Governor in Council of Bombay, and the persons whose names are in the Schedule hereunto annexed, shall, provided that the amount of Stock subscribed for by them, be paid up on or before the 1st April next, be Proprietors of the Shares of the said Capital Stock set against their names respectively, together with any further persons whose claims shall be admitted before the 1st May next, on their paying up the Stock to which they may be so admitted upon or before the said 1st May next. And if any of the Proprietors named in the said Schedule shall not have

duly paid up in full the amount of Capital Stock to which he or they are entitled, the shares of such Stock that may be so unpaid, (provided that the total amount that may so lapse do not reduce the Capital Stock of the Bank below the sum of Fifty Lakhs of Rupees,) shall be cancelled. And if the lapsed shares cause the aggregate of the Capital Stock to be less than Fifty Lakhs of Rupees, then so much Stock as may be necessary to complete that sum, shall be sold by Public Auction in Lots of One Thousand Rupees, on such date not being later than the First of May next, as may be fixed by the Governor in Council of Bombay, and the amount realized at such sale after making good the Capital Stock, shall be passed to credit as a profit at the disposal of the Bank.

III. And it is hereby enacted, that it shall be in the power of the Governor General of India in Council, from time to time, by an order duly published in the Government Gazettes of Calcutta and of Bombay, to authorise the said Capital Stock to be increased, and to make in order and direction for the opening of subscriptions towards such increase of Capital, as to him may seem fit, giving due notice thereof to the Proprietors of the said Bank for the time being, and allowing to them a period of not less than twelve months to fill up such subscription themselves, and likewise to prescribe in what manner and form the Proprietors shall subscribe and pay into the said Bank the proportion of new Stock to which they may respectively be entitled; and also to make such order and direction as to him the said Governor General in Council may seem fit, for the disposal of the amount of new Stock that may not be subscribed for, and paid up by the Proprietors in the manner and form that may be so prescribed.

IV. And it is hereby enacted, that the Capital Stock of the Bank of Bombay shall be divided into shares of 1,000 Rs. each, which shall be numbered accordingly and three hundred of the said shares numbered from No. 1 to 300 shall be the property of the Governor in Council of Bombay, and the remainder shall be the property of the Proprietors who may pay up the same, and no separate interest or share in the Stock of the said Bank of less amount than 1,000 Rs. shall be created or held by any Proprietor, and if at any time the Capital of the said Bank shall be increased, the new Stock added thereto shall in like manner be divided into shares of 1,000 Rupees each, and no Proprietor shall be entitled to claim a share of such new Stock of less amount than One Thousand Rupees.

V. And it is hereby enacted, that on the said 1st day of April 1840, or on some early day after that date, the Governor in Council of Bombay shall notify in the Official Gazette of that Presidency, that the Government share of the Capital Stock of the Bank of Bombay has been paid up, and shall publish in the said Gazette a list of the Proprietors by whom the shares of the said Capital Stock subscribed for by them respectively have been paid, and the Bank of Bombay being incorporated as above provided, shall from the date of such notification be opened

for the transaction of all manner of business authorized by this Act; and the said Bank shall and may sue, and be sued, by its Corporate name, and shall and may use such common Seal as the Directors of the said Bank shall from time to time appoint, and shall be competent to acquire and hold, either absolutely or conditionally, for a term or in perpetuity, any description of property whatever, and to transfer and convey the same.

VI. And it is hereby enacted, that payment of the amount of subscriptions to the Capital Stock shall be made to the Sub-Treasurer of the Government of Bombay for the time being, who will grant receipts for the same, and hold the amount as a deposit in the Treasury until the publication by the Governor in Council of Bombay of the notification prescribed in Sec. V of this Act, when he will deliver the amount so subscribed to the Directors of the Bank to be appointed as hereinafter provided.

VII. And it is hereby enacted, that after the said delivery of the amount of Capital Stock to the Directors of the Bank, the receipts granted by the Sub-Treasurer of the Government of Bombay, in the manner provided in Sec. VI of this Act, shall be cancelled, and a certificate, signed by three Directors of the Bank of Bombay, shall be delivered to each Proprietor, and any person who is a Proprietor of more than one share of the Capital Stock may at his option demand a certificate for each of his shares or one certificate for all his shares, or several certificates, each of which may be for any number of his shares.

VIII. And it is hereby enacted, that no Proprietor shall be allowed to increase his share in the Capital Stock of the said Bank beyond the amount of One Lakh and Sixty Thousand Rupees, excepting on occasion of any increase being made to the Capital Stock of the said Bank under the authority of the Governor General in Council, in the manner prescribed in Sec. III of this Act, in which case any Proprietor holding Stock to the full amount of One Lakh and Sixty Thousand Rupees shall notwithstanding be entitled to subscribe to the increased Capital Stock in a rateable proportion, and excepting any addition to his interest in the said Capital Stock arises from succession, bequest or marriage.

IX. And it is hereby enacted, that the said share or shares of the Capital Stock of the said Bank shall be of the nature of personal estate of the Proprietors thereof respectively, and that the same shall be transferable by endorsement to be made on the certificates thereof respectively, under the hand of the Proprietor or Proprietors, or his, her, or their Attorney duly authorized, which endorsement shall specify the name of the person or persons to whom the said transfer shall be made; provided that no such endorsement shall be effectual to transfer any such share or shares until such endorsement shall have been registered at the Bank of Bombay and such registration shall have been noted on such endorsement under the hand of an Officer appointed for that purpose by the Directors of the said Bank.

X. And it is hereby enacted, that the said Corporate body of the Bank of Bombay, shall consist and be composed of the Registered Proprietors for the time being of the said shares of the Capital Stock of the said Bank and of no other person or persons whatsoever.

XI. And it is hereby enacted, that the business of the said Bank shall be managed by nine Directors, of whom three shall be appointed and removable by the Governor in Council of Bombay and the remaining six shall be elected by the General Meeting of the Proprietors of the said Bank, and shall be removable by vote of the majority of a General Meeting of the said Proprietors.

XII. And it is hereby enacted, that the first Directors of the said Bank of Bombay shall be such three persons as may be appointed by the Governor in Council of Bombay to be Directors of the Bank, together with six persons of those whose names are inserted in the Schedule, annexed to this Act, and who, being entitled to not less than twelve shares or 12,000 Rs. of the Capital Stock of the said Bank, shall be elected at a General Meeting of the persons whose names are inserted in the said Schedule, to be held in the Town Hall of Bombay, at such time as the Governor in Council of Bombay may fix by public Notification in the Official Gazette of that Presidency; and the election shall be made by the persons who according to the Schedule hereunto annexed may be entitled to shares of the Capital Stock

XXXIII. And it is hereby enacted, that it shall be lawful for the Directors of the said Bank of Bombay to receive in deposit Goods not of a perishable kind, and to contract for the safe keeping of the same.

XXXIV. And it is hereby enacted, that the Directors of the said Bank shall cause the Books of the said Bank to be balanced on the 30th day of June and the 31st of December in every year, and that a settlement of the balances on every such day signed by a majority of the said Directors, shall be forthwith transmitted to one of the Secretaries to the Governor in Council of Bombay, and that the Governor in Council of Bombay shall at all times be entitled to require of the said Directors any information touching the affairs of the said Bank, and the production of any documents of the said Bank, and that the said Directors shall comply with every such requisition.

XXXV. And it is hereby enacted, that an account of the profits of the said Bank shall be taken half-yearly on the 1st day of January and the 1st day of July in every year, and that a dividend thereof shall be made so soon thereafter as conveniently may be, and that the amount of such dividend shall be determined by the Directors of the said Bank, on the ground of the actual profits made by the said Bank during the six calendar months preceding the day up to which such half-yearly account shall be taken; provided that such reasonable expenses as have been incurred in procuring this Act of Incorporation shall, upon being audited and admitted by the said Directors, be paid out of the funds of the Bank as soon as it is opened for business, and that the amount so paid shall be defrayed out of the future profits of the Bank at the discretion of the Directors; and provided that the said Directors shall have power, when they see fit, to set apart from such profits, a sum not exceeding five per cent, on the Capital Stock of the Bank as a reserve against contingencies.

XXXVI. And it is hereby enacted, that on the first Monday of the month of August in every year, a General Meeting of the Proprietors of the Capital Stock of the said Bank shall be held, at which the Directors of the said Bank shall submit to the said Proprietors a Statement of the affairs of the said Bank made up to the preceding 30th of June, and such General Meeting shall be competent to pass resolutions and frame rules and directions relative to the

affairs and conduct of the said Bank, which shall be binding on the Directors and Officers of the Bank, and on the Proprietors thereof, until rescinded or modified respectively by any subsequent General Meeting.

XXXVII. And it is hereby enacted, that any three of the said Directors of the said Bank, or any ten Proprietors of the Capital Stock of the said Bank, may at any time convene a General Meeting of the Proprietors, upon giving fifteen days previous notice of such Meeting, and of the purpose or purposes for which the same shall be convened, as well to the Directors of the said Bank for the time being, as also by public advertisement in the Official Gazette of Bombay.

XXXVIII. And it is hereby enacted, that it shall be lawful for the Bank of Bombay, with the sanction of the Governor in Council of Bombay, to establish Branch Banks at such places, and under such rules and restrictions, as shall be determined by the Proprietors at their General Meetings; provided however that such Branch Banks when so established, besides being subject to the rules and restrictions that may be imposed by the Proprietors, and to the control and orders of the Directors of the Bank of Bombay, shall be bound by the same rules as to the description of business in which they are to engage, and the manner of conducting such business, and likewise in respect to the issue of Notes payable on demand, and the retention of cash to meet the same, and in all transactions and matters herein above referred to, as are prescribed for the Bank of Bombay by this Act.

XXXIX. And it is further enacted, that if any of the said Proprietors shall become indebted to the said Bank, it shall be lawful for the said Bank to withhold payment of the dividends on the Share or Shares of such Proprietor registered as his or her own property, and not as held in trust, or as Executor or Administrator, until payment of such debt, and to apply such dividends towards payment thereof, and that after demand and default of payment, and notice in that behalf given, either to such Proprietor, or his or her constituted Agent, or by public advertisement in the Official Gazette, it shall be lawful for the said Bank to refuse registration of the transfer of any such share or shares of such Proprietor until payment of such debt; and if the same shall remain unpaid for the space of six months after such notice, to advertise for public sale, and to sell such share or shares, or so many as may be necessary, and to apply the proceeds thereof towards payment of such debt, with interest at the rate of six per cent per annum, paying over the surplus, if any, to such Proprietor, or his or her lawful representative.

XI. And it is further enacted, that the said Bank shall continue as hereby constituted until the 1st day of April which will be in the year of our Lord 1847, and shall thereafter continue in like manner until duly dissolved or modified; provided however, that after the said 1st day of April 1847, the said Bank shall not, except upon the application or by the consent of the said Bank, be dissolved, or anywise modified, without previous notice of twelve months at the least being given to the Directors of the said Bank for the time being, of such intended dissolution or modification. Provided also, that in the event of the said Bank at any time suspending cash payments, the benefits granted to the said Bank by the present Act of Incorporation shall be thenceforth forfeited.

T. H. MADDOCK,  
Secy. to the Govt. of India.

**FORT WILLIAM,  
LEGISLATIVE DEPARTMENT,  
THE 17TH FEBRUARY, 1840.**

The following Act passed by the Right Hon'ble the Governor General of India in Council, on the 17th of February 1840, is hereby promulgated for general information.

**Act No. IV. of 1840.**

An Act for preventing Affrays concerning the possession of Land, and for providing relief in cases of forcible dispossession, within the Presidency of Fort William in Bengal.

I. Whereas it is expedient to remove doubts which have arisen upon the interpretation of Regulation XV of 1824, and to amend the Law for preventing Affrays concerning the possession of Land, and for giving relief in cases of forcible dispossession, and to extend it to cases not hitherto provided for, and to make it applicable to persons of every class or description, whether British-born subjects or others :

It is hereby enacted, that Regulation XLIX of 1798, Regulation XIV of 1795, Regulation XXXII of 1808, Section 5, Regulation VI of 1813, Regulation XV of 1824, and Regulation II of 1820, of the Bengal Code, together with so much of any Regulations as extend

any of the above Regulations or parts of Regulations to any places within the Presidency of Fort William in Bengal, be repealed.

II. And it is hereby enacted, that whenever any Magistrate or other Officer exercising the powers of a Magistrate may be certified that a dispute likely to induce a breach of the peace exists concerning any Land, Premises, Water, Fisheries, Crops, or other produce of land, within the limits of his jurisdiction, he shall record a proceeding, stating the grounds of his being so certified, and shall call on all parties concerned in such dispute (whether Proprietors, dependent Talookdars, Farmers, under-Farmers, Ryots or other persons) to attend his Court in person, or by agent, within a reasonable time, and to give in a written statement of their respective claims as respects the fact of actual possession of the subject of dispute. And the Magistrate or other Officer as aforesaid shall, without reference to the merits of the claims of any party to a right of possession, proceed to enquire what party was in possession of the subject of dispute when the dispute arose, and after satisfying himself upon that point, shall record a proceeding declaring the party whom he may decide to have been in such possession to be entitled to retain possession, until ousted by due course of Law, and forbidding all disturbance of possession until such time; and if necessary the Magistrate or other Officer as aforesaid shall put such party into possession and maintain him in possession, until the rights of the parties disputing be determined by a competent Court.

III. And it is hereby enacted, that if the Magistrate or other Officer as aforesaid shall, in the cases mentioned in Section II of this Act, be unable to satisfy himself as to what party was in possession of the subject of dispute when the dispute arose, he may attach the subject of dispute until the rights of the parties be determined by a competent Court, giving the Collector information of the attachment; and if the subject of dispute be Land, the provisions of Regulation V of 1827 regarding attachment by order of a Zillah or City Court shall apply to attachments by order of a Magistrate or other Officer as aforesaid made under this Section.

IV. And it is hereby enacted, that if any party shall complain to a Magistrate or other Officer as aforesaid, that he has been without authority of Law forcibly dispossessed of any Land, Premises, Water, Fisheries, Crops, or other produce of Land within the jurisdiction of such Magistrate or other Officer as aforesaid, whether the same were possessed by such party as Proprietor, dependent Talookdar, Farmer, Under-Farmer, Ryot or otherwise, the Magistrate or other Officer as aforesaid shall require the party or parties complained against, and any other parties concerned, to appear and make defence in person or by agent within a reasonable time; and if, after the examination of the necessary witnesses and documents, the complaint appears to him to be substantiated, he shall record a proceeding, ordering the party complaining to be put again into possession of the subject of dispute, and maintained in possession until the right to possession be determined by a competent Court; provided that no such order shall be passed unless the party complaining of having been so dispossessed prefer his claim within one month from the time of such dispossession.

V. And it is hereby enacted, that if, in cases instituted under this Act, the subject of dispute be newly formed Land, whereof it shall appear to the Magistrate or other Officer as aforesaid that no party has ever had possession, the Magistrate or other Officer as aforesaid shall award possession to the party to whom the right of possession belongs according to law or custom, and shall maintain that party in possession until the right to possession be determined by a competent Court.

VI. And it is hereby enacted, that if a dispute arises concerning the right of use of any Land or Water, the Magistrate or other Officer as aforesaid within whose jurisdiction the subject of dispute lies may enquire into the matter, and if it shall appear to him that the subject of dispute was open to the use of the public, or of any person, or of any class of persons, the said Magistrate or other Officer may order that possession thereof shall not be taken or retained by any party to the exclusion of the public, or of such person, or of such class of persons, as the case may be, until the party claiming such possession shall obtain the decision of a competent Court adjudging him to be entitled to such exclusive possession. Provided that the Magistrate or other Officer as aforesaid shall not award

such order as aforesaid, if the matter be such that the right of use is capable of being exercised at all times of the year, unless that right shall have been ordinarily exercised within three months from the date of the institution of the enquiry, or in cases where the right of use exists at particular seasons, unless such right has been exercised without discontinuance before the dispossession of which complaint is made.

VII. And it is hereby enacted, that any person opposing by force the execution of an order for possession or use, given under this Act, or refusing obedience thereto, or knowingly contravening the same, as long as it shall remain in legal force, shall, together with all persons aiding and abetting, be liable, on conviction before a Magistrate or other Officer with the powers of a Magistrate, to be sentenced to simple imprisonment for a term not exceeding six months, or to fine not exceeding two hundred rupees, commutable if not paid to a period of simple imprisonment not exceeding six months, or to both imprisonment and fine as aforesaid.

VIII. And it is hereby enacted, that all orders passed under this Act shall be appealable in the usual manner under the Regulations and Laws that are or

may be in force relating to appeals from the orders of Magistrates or other Officers exercising the powers of Magistrates.

IX. And it is hereby enacted, that in cases instituted under this Act the Magistrate or other Officer as aforesaid is authorised, with the consent of all the parties, to refer the matter in dispute, so far as it is cognisable under this Act, to an arbitrator or arbitrators for decision, whose award shall be executed as if it were the award of such Magistrate or other Officer as aforesaid.

X. And it is hereby provided that nothing in this Act contained shall affect the legal exercise of any right of attachment or seizure vested by law in any parties.

XI. And it is hereby further provided, that this Act shall not extend to any place beyond the limits of the Presidency of Fort William in Bengal, or to the Settlements of Prince of Wales' Island, Singapore, or Malacca, or to any place situated within the local limits of the jurisdiction of Her Majesty's Supreme Court at Calcutta.

## POST OFFICE NOTICE.

**NOTICE.**—Under the Orders of the Hon'ble the President in Council, from and after the 15th of the ensuing month of January, there will be a second despatch, daily, from Calcutta to Khamrah, six stages in advance of Berhanipore; as, also, a second daily despatch thence to Calcutta. The ordinary Mail, from Calcutta, as at present, will go out at 8 p. m. The other daily despatch will be sent off at noon.

The mid-day despatch will convey letters, newspapers, &c. for the stations noted in the margin, thus giving them an advantage of 8 hours over the night Mail. The hour most suitable for despatching the second daily Mail from Khamrah will be fixed by the local Post Master, so that, similar convenience may be afforded to the Public, by a saving of 12 hours, more or less, in the arrival of letters, &c. in Calcutta from the stations specified.

It has not been found expedient to extend the double despatch on this line of Hawk route beyond Khamrah, as the great increase of expense for the maintenance of the additional establishment which would thus be required, would not be compensated for by the advantage likely to be gained.

Arrangements are making for adopting a similar double-despatch, along the whole line of Hawk route, from Calcutta to Kurnaul, which will, probably, be brought into operation by the 1st of February next; but of which, further notice will be given, hereafter.

Letters for the stations specified which may be intended for transmission by the mid-day Mails, must be delivered at the General Post Office between the hours of 10 and 11½ a. m.

## NOTIFICATION.

**WITH** reference to the notice of the undersigned, dated 24th ultimo, it is hereby further notified that from the 1st proximo, the mid-day despatch will be extended to the line of Trunk Road between Calcutta and Loudianah, from each of which places a Mail, for the other extreme end, will be despatched at noon. This despatch will include Letters, &c. for the several Stations noted in the margin. Letters from Calcutta intended for transmission by the noon despatch, for these Stations, must be delivered at this Office between the hours of 10 and 11½ a. m.

**East India Army Agency,**

16, CORNHILL, AND 8, ST. MARTIN'S PLACE,

Messrs. GRINDLAY, CHRISTIAN, & MATTHEWS

**T**HE numerous communications which have been addressed to Captain Grindlay from all parts of India, conveying the most flattering approbation of the manner in which his duties to his constituents have hitherto been performed, and the most cordial assurances of support to the new Firm, commenced in November, 1838, are felt by him to call for a public expression of gratitude.

In thus offering his thanks for the extensive and noble patronage long afforded to the Establishment under his able management, and now so kindly

promised to the Firm of GRINDLAY, CHRISTIAN AND MATTHEWS, he begs to assure his numerous friends and well wishers, that the efforts of himself and his partners will be unremittingly directed to merit the continued confidence reposed in them by the various branches of the Indian community, both at home and abroad.

The high character attained by the Establishment under his superintendence has been the result of many years' perseverance,—its pretensions were tested by experience, and the value of the facilities which it afforded for the dispatch of business, tried and vouch-ed for by a large proportion of those whose engage-ments led them to India. It is acknowledged with pride, that success followed exertion, and the means have thus been obtained of increasing the resources of the Establishment and greatly enlarging the circle of its usefulness.

In conclusion, Messrs. GRINDLAY, CHRISTIAN AND MATTHEWS have only to remind their Sub-scribers and the Public at large, that they continue to transact every description of business connected with India and the Colonies.

Parties desiring to support this Agency are inform-ed that Subscriptions of 12 Rupees per annum will be received by

**ADVERTISEMENT**

It being understood that Public Officers, in ignorance of the existence and nature of the Orphan Press Contract with Government, occasionally employ other Presses to the prejudice of the Orphan Institution, the General Management deem it expedient to publish, for general information, the following extract of a Letter from Mr. Secretary Prinsep, showing that the Orphan Press has the exclusive privilege of Printing for Government.

"I am directed to acknowledge the receipt of your letter of the 6th instant, and in reply to state that it is by no means the intention of the Government to withdraw any part of its printing business from the Orphan School Establishment, or to allow Public Officers to give a preference to other Presses. On the contrary, the Vice President in Council has declared his readiness to enquire into every case in which other Establishments may be employed to the prejudice of the interests of the Orphan School, whenever such may fall under his notice or be made the subject of representation.

FORT WILLIAM,  
LEGISLATIVE DEPARTMENT,  
THE 17TH FEBRUARY, 1840.

The following Act passed by the Right Hon'ble the Governor General of India in Council on the 17th February 1840, is hereby promulgated for general information.

ACT No. III. OF 1840.

*For the Incorporation of a Bank at Bombay.*

Whereas the Hon'ble Court of Directors of the East India Company, by and with the approbation of the Board of Commissioners for the affairs of India, have sanctioned the Establishment of a Bank at Bombay on the same principles as were prescribed for and have been observed in the re-incorporation of the Bank of Bengal, by Act No. VI. of 1839: and whereas the said Court of Directors have directed the body of Proprietors in existence at the date of the dispatch which contained the said sanction for the incorporation of a Bank at Bombay to be the Proprietors in whose favor the Act of incorporation is to be passed:—

It is therefore hereby enacted, that from the 1st day of April next ensuing, in the year of our Lord 1840, the persons whose names are included in the Schedule hereunto annexed, provided that they, with the Government of Bombay on the part of the East India Company, have paid up the amount of Capital Stock subscribed by them respectively, or such of them as have so paid up their subscriptions shall, together with the Governor in Council for the time being of the Island and Presidency of Bombay, be a corporation, body corporate and politic, by name of the Bank of Bombay, with perpetual succession to them and their successors as Proprietors for the time being of the said Bank as hereafter mentioned and provided, and shall possess and enjoy all the rights, privileges, and immunities incident by law to a corporation aggregate.

Provided however that it shall be lawful for the Governor General of India in Council at any time before the 1st May next to rectify any errors in the Schedule of the said Proprietors by notice in the Official Gazettes of Calcutta and Bombay, so that no alteration be made in the principles upon which such Schedule has been framed.

II. And it is hereby enacted, that the Capital Stock of the Bank of Bombay shall in amount not be less than Fifty Lakhs of Rupees, nor unless increased as hereinafter provided more than Fifty-six Lakhs, whereof Three Lakhs of Rupees shall be the property of the Governor in Council of Bombay, and the persons whose names are in the Schedule hereunto annexed, shall, provided that the amount of Stock subscribed for by them, be paid up on or before the 1st April next, be Proprietors of the Shares of the said Capital Stock set against their names respectively, together with any further persons whose claims shall be admitted before the 1st May next, on their paying up the Stock to which they may be so admitted upon or before the said 1st May next. And if any of the Proprietors named in the said Schedule shall not have

duly paid up in full the amount of Capital Stock to which he or they are entitled, the shares of such Stock that may be so unpaid, (provided that the total amount that may so lapse do not reduce the Capital Stock of the Bank below the sum of Fifty Lakhs of Rupees,) shall be cancelled. And if the lapsed shares cause the aggregate of the Capital Stock to be less than Fifty Lakhs of Rupees, then so much Stock as may be necessary to complete that sum, shall be sold by Public Auction in Lots of One Thousand Rupees, on such date not being later than the First of May next, as may be fixed by the Governor in Council of Bombay, and the amount realized at such sale, after making good the Capital Stock, shall be passed to credit as a profit at the disposal of the Bank.

III. And it is hereby enacted, that it shall be in the power of the Governor General of India in Council, from time to time, by an order duly published in the Government Gazettes of Calcutta and of Bombay, to authorise the said Capital Stock to be increased, and to make such order and direction for the opening of subscriptions towards such increase of Capital, as to him may seem fit, giving due notice thereof to the Proprietors of the said Bank for the time being, and allowing to them a period of not less than twelve months to fill up such subscription themselves, and likewise to prescribe in what manner and form the Proprietors shall subscribe and pay into the said Bank the proportion of new Stock to which they may respectively be entitled; and also to make such order and direction as to him the said Governor General in Council may seem fit, for the disposal of the amount of new Stock that may not be subscribed for, and paid up by the Proprietors in the manner and form that may be so prescribed.

IV. And it is hereby enacted, that the Capital Stock of the Bank of Bombay shall be divided into shares of 1,000 Rs. each, which shall be numbered accordingly and three hundred of the said shares numbered from No. 1 to 300 shall be the property of the Governor in Council of Bombay, and the remainder shall be the property of the Proprietors who may pay up the same, and no separate interest or share in the Stock of the said Bank of less amount than 1,000 Rs. shall be created or held by any Proprietor, and if at any time the Capital of the said Bank shall be increased, the new Stock added thereto shall in like manner be divided into shares of 1,000 Rupees each, and no Proprietor shall be entitled to claim a share of such new Stock of less amount than One Thousand Rupees.

V. And it is hereby enacted, that on the said 1st day of April 1840, or on some early day after that date, the Governor in Council of Bombay shall notify in the Official Gazette of that Presidency, that the Government share of the Capital Stock of the Bank of Bombay has been paid up, and shall publish in the said Gazette a list of the Proprietors by whom the shares of the said Capital Stock subscribed for by them respectively have been paid, and the Bank of Bombay being incorporated as above provided, shall from the date of such notification be opened

for the transaction of all manner of business authorized by this Act; and the said Bank shall and may sue, and be sued, by its Corporate name, and shall and may use such common Seal as the Directors of the said Bank shall from time to time appoint, and shall be competent to acquire and hold, either absolutely or conditionally, for a term or in perpetuity, any description of property whatever, and to transfer and convey the same.

VI. And it is hereby enacted, that payment of the amount of subscriptions to the Capital Stock shall be made to the Sub-Treasurer of the Government of Bombay for the time being, who will grant receipts for the same, and hold the amount as a deposit in the Treasury until the publication by the Governor in Council of Bombay of the notification prescribed in Sec. V of this Act, when he will deliver the amount so subscribed to the Directors of the Bank to be appointed as hereinafter provided.

VII. And it is hereby enacted, that after the said delivery of the amount of Capital Stock to the Directors of the Bank, the receipts granted by the Sub-Treasurer of the Government of Bombay, in the manner provided in Sec. VI of this Act, shall be cancelled, and a certificate, signed by three Directors of the Bank of Bombay, shall be delivered to each Proprietor, and any person who is a Proprietor of more than one share of the Capital Stock may at his option demand a certificate for each of his shares or one certificate for all his shares, or several certificates, each of which may be for any number of his shares.

VIII. And it is hereby enacted, that no Proprietor shall be allowed to increase his share in the Capital Stock of the said Bank beyond the amount of One Lakh and Sixty Thousand Rupees, excepting on occasion of any increase being made to the Capital Stock of the said Bank under the authority of the Governor General in Council, in the manner prescribed in Sec. III of this Act; in which case any Proprietor holding Stock to the full amount of One Lakh and Sixty Thousand Rupees shall notwithstanding be entitled to subscribe to the increased Capital Stock in a rateable proportion, and excepting any addition to his interest in the said Capital Stock arises from succession, bequest or marriage.

IX. And it is hereby enacted, that the said share or shares of the Capital Stock of the said Bank shall be of the nature of personal estate of the Proprietors thereof respectively, and that the same shall be transferable by endorsement to be made on the certificates thereof respectively, under the hand of the Proprietor or Proprietors, or his, her, or their Attorney duly authorized, which endorsement shall specify the name of the person or persons to whom the said transfer shall be made; provided that no such endorsement shall be effectual to transfer any such share or shares until such endorsement shall have been registered at the Bank of Bombay and such registration shall have been noted on such endorsement under the hand of an Officer appointed for that purpose by the Directors of the said Bank.

X. And it is hereby enacted, that the said Corporate body of the Bank of Bombay, shall consist and be composed of the Registered Proprietors for the time being of the said shares of the Capital Stock of the said Bank and of no other person or persons whatsoever.

of the Bank, and the said persons shall vote at such election in person or by proxy according to the quantity of Stock respectively held by them, as if they were Proprietors to all intents and purposes of the shares for which they are entitled to subscribe, and the Directors so appointed shall appoint Officers, and take all necessary steps for opening the Bank when this Act shall take effect for its incorporation; and the rotation amongst the six Directors first appointed under the next preceding Section, shall be established according to the number of votes; the two Directors elected by the fewest votes first vacating, and the next two in the year following, and so in succession in the third year.

XIII. And it is hereby enacted, that two of the six Directors elected as provided in Section XII, and to be elected by the Proprietors, shall in rotation go out of office on the second Monday in the month of December in every year, on which day in every year a General Meeting of Proprietors shall be held for the election of two Directors in their stead; provided always that any Director going out by rotation as aforesaid may not be re-elected at the election which takes place thereupon.

XIV. And it is hereby enacted, that in case of the death, resignation, or absence from Bombay for more than three months, or disqualification under Section XV, or removal as aforesaid of any Directors elected as provided in Section XII, or to be elected by the Proprietors after the incorporation of the Bank of Bombay, the Directors shall call a General Meeting of the Proprietors, to be held within fifteen days of the day of notice, for the purpose of choosing a successor, and such successor shall come into the same place in rotation above mentioned in which the late Director was.

XV. And it is hereby enacted, that no person shall be capable of serving as a Director by election of the Proprietors who shall not be Proprietor in his own right and unincumbered of twelve shares or 12,000 Rs. of the Capital Stock of the Bank of Bombay, or who shall be a Director of any other Bank issuing notes payable on demand within the Town or Island of Bombay.

XVI. And it is hereby enacted, that at a General Meeting of the Proprietors every election, and other matter in question, shall be decided by a majority of votes, and that no person shall be allowed to vote at any such Meeting in respect of any share of the said Capital Stock acquired by transfer or purchase or otherwise, than by the act of Law, unless such transfer shall have been completed six months at the less, before the time of tendering such vote.

# FORT WILLIAM, LEGISLATIVE DEPARTMENT,

THE 17TH FEBRUARY, 1840.

The following Act passed by the Right Hon'ble the Governor General of India in Council, on the 17th of February 1840, is hereby promulgated for general information.

Act No. IV. of 1840.

An Act for preventing Affrays concerning the possession of Land, and for providing relief in cases of forcible dispossession, within the Presidency of Fort William in Bengal.

I. Whereas it is expedient to remove doubts which have arisen upon the interpretation of Regulation XV of 1824, and to amend the Law for preventing Affrays concerning the possession of Land, and for giving relief in cases of forcible dispossession, and to extend it to cases not hitherto provided for, and to make it applicable to persons of every class or description, whether British-born subjects or others:

It is hereby enacted, that Regulation XLIX of 1793, Regulation XIV of 1795, Regulation XXXII of 1803, Section 5, Regulation VI of 1813, Regulation XV of 1824, and Regulation II of 1829, of the Bengal Code, together with so much of any Regulations as extend

any of the above Regulations or parts of Regulations to any places within the Presidency of Fort William in Bengal, be repealed.

II. And it is hereby enacted, that whenever any Magistrate or other Officer exercising the powers of a Magistrate may be certified that a dispute likely to induce a breach of the peace exists concerning any Land, Premises, Water, Fisheries, Crops, or other produce of land, within the limits of his jurisdiction, he shall record a proceeding, stating the grounds of his being so certified, and shall call on all parties concerned in such dispute (whether Proprietors, dependent Talukdars, Farmers, under-Farmers, Ryots or other persons) to attend his Court in person, or by agent, within a reasonable time, and to give in a written statement of their respective claims as respects the fact of actual possession of the subject of dispute. And the Magistrate or other Officer as aforesaid shall, without reference to the merits of the claims of any party to a right of possession, proceed to enquire what party was in possession of the subject of dispute when the dispute arose, and after satisfying himself upon that point, shall record a proceeding declaring the party whom he may decide to have been in such possession to be entitled to retain possession, until ousted by due course of Law, and forbidding all disturbances of possession until such time; and if necessary the Magistrate or other Officer as aforesaid shall put such party into possession, and maintain him in possession, until the rights of the parties disputing be determined by a competent Court.

III. And it is hereby enacted, that if the Magistrate or other Officer as aforesaid shall, in the cases mentioned in Section II of this Act, be unable to satisfy himself as to what party was in possession of the subject of dispute when the dispute arose, he may attach the subject of dispute until the rights of the parties be determined by a competent Court, giving the Collector information of the attachment; and if the subject of dispute be Land, the provisions of Regulation V of 1827 regarding attachment by order of a Zillah or City Court shall apply to attachments by order of a Magistrate or other Officer as aforesaid made under this Section.

IV. And it is hereby enacted, that if any party shall complain to a Magistrate or other Officer as aforesaid, that he has been without authority of Law forcibly dispossessed of any Land, Premises, Water, Fisheries, Crops, or other produce of Land within the jurisdiction of such Magistrate or other Officer as aforesaid, whether the same were possessed by such party as Proprietor, dependent Talukdar, Farmer, Under-Farmer, Ryot or otherwise, the Magistrate or other Officer as aforesaid shall require the party or parties complained against, and any other parties concerned, to appear and make defence in person or by agent within a reasonable time; and if, after the examination of the necessary witnesses and documents, the complaint appears to him to be substantiated, he shall record a proceeding, ordering the party complaining to be put again into possession of the subject of dispute, and maintained in possession until the right to possession be determined by a competent Court; provided that no such order shall be passed unless the party complaining of having been so dispossessed prefer his claim within one month from the time of such dispossession.

V. And it is hereby enacted, that if, in cases instituted under this Act, the subject of dispute be newly formed Land, whereof it shall appear to the Magistrate or other Officer as aforesaid that no party has ever had possession, the Magistrate or other Officer as aforesaid shall award possession to the party to whom the right of possession belongs according to law or custom, and shall maintain that party in possession until the right to possession be determined by a competent Court.

VI. And it is hereby enacted, that if a dispute arises concerning the right of use of any Land or Water, the Magistrate or other Officer as aforesaid within whose jurisdiction the subject of dispute lies may enquire into the matter, and if it shall appear to him that the subject of dispute was open to the use of the public, or of any person, or of any class of persons, the said Magistrate or other Officer may order that possession thereof shall not be taken or retained by any party to the exclusion of the public, or of such person, or of such class of persons, as the case may be, until the party claiming such possession shall cause the decision of a competent Court adjudging him to be entitled to such exclusive possession. Provided that the Magistrate or other Officer as aforesaid shall not award any

such order as aforesaid, if the matter be such that the right of use is capable of being exercised at all times of the year, unless that right shall have been ordinarily exercised within three months from the date of the institution of the enquiry, or in cases where the right of use exists at particular seasons, unless such right has been exercised without discontinuance before the dispossession of which complaint is made.

VII. And it is hereby enacted, that any person opposing by force the execution of an order for possession or use, given under this Act, or refusing obedience thereto, or knowingly contravening the same, as long as it shall remain in legal force, shall, together with all persons aiding and abetting, be liable, on conviction before a Magistrate or other Officer with the powers of a Magistrate, to be sentenced to simple imprisonment for a term not exceeding six months, or to fine not exceeding two hundred rupees, commutable if not paid to a period of simple imprisonment not exceeding six months, or to both imprisonment and fine as aforesaid.

VIII. And it is hereby enacted, that all orders passed under this Act shall be appealable in the usual manner under the Regulations and Laws that are or

may be in force relating to appeals from the orders of Magistrates or other Officers exercising the powers of Magistrates.

IX. And it is hereby enacted, that in cases instituted under this Act the Magistrate or other Officer as aforesaid is authorised, with the consent of all the parties, to refer the matter in dispute, so far as it is cognisable under this Act, to an arbitrator or arbitrators for decision, whose award shall be executed as if it were the award of such Magistrate or other Officer as aforesaid.

X. And it is hereby provided that nothing in this Act contained shall affect the legal exercise of any right of attachment or seizure vested by law in any parties.

XI. And it is hereby further provided, that this Act shall not extend to any place beyond the limits of the Presidency of Fort William in Bengal, or to the Settlements of Prince of Wales' Island, Singapore, or Malacca, or to any place situated within the local limits of the jurisdiction of Her Majesty's Supreme Court at Calcutta.

BENGAL CIVIL SERVICE ANNUITY FUND.

We the undersigned Subscribers to the Bengal Civil Service Annuity Fund request, under Article 25 of the Rules of the Institution, that the Managers will convene a Special General Meeting of Subscribers to the Fund to be held at the Town Hall at 11 A. M., on Tuesday the 21st of April, for the purpose of taking into consideration the following proposed Resolution.

PROPOSED RESOLUTION.

That whereas the operation of the additional Rules Articles 35 and 36 passed on the 11th of July 1836, whereby two-thirds of the value of Annuities of any year remaining on the 1st of May untaken at half premium is available for granting a reduced number of Annuities at quarter premium, with a refund of excess Subscriptions will not expire on the 30th of April, 1840, if the sanction of the Honorable Court for the continuance of the same be received before the 1st of May 1840; but nevertheless, under Article 36 of the additional Rules passed on the said 11th of July 1836, it is "competent to a majority of the Subscribers in India, whenever they shall be satisfied that the number of annual Retirements from the service is such as to require that all the Annuities of each year should be reserved to meet the applications of candidates in future years, to suspend the operation of the above Rules, (viz. Articles 35 and 36) by a Resolution to that effect duly passed at a general meeting;

And whereas, on the 7th of April 1838, the Subscribers to the Fund memorialised the Hon'ble Court praying that they would "permit the Fund to grant Annuities not exceeding nine in number to the extent of the annual fixed income of the Fund from Subscriptions, (your) Honorable Court's donation, and interest on the fixed capital, under the condition of requiring retiring servants to make good to the extent of a quarter of the value of their Annuities, receiving no refund of any excess of the amount of their Subscriptions, in case these should at the time of retirement, with interest, exceed the quarter value of the Annuity taken;" to which memorial no answer has yet been received;

And whereas the present circumstances of the service require the full complement of nine Annuities to be annually taken, and the attainment of that object is materially impeded by the present uncertainty as to the terms on which Annuities will be temporarily available;

And whereas the system of giving refunds of excess subscriptions with interest, is directly opposed to the objects of the institution, by inducing qualified Subscribers to postpone the period of retirement, and by reducing very materially the number of Annuities available;

Resolved, first by that the operation of the above Rules, Articles 35 and 36, shall cease from the 1st of May 1840.

Secondly, that the Subscribers will accede to any proposal that the Honorable Court may be pleased to approve, with reference to the Memorial of the 7th of April 1838, for the grant of Annuities in terms more favorable than half premium, provided that the full number of nine Annuities prayed for in the said Memorial be thereby available, and provided further that the system of Refunds be thereby discontinued.

Thirdly, that the present circumstances of the service are such as to render it inadvisable for the Subscribers to alter the original Rules of the Fund in any manner which shall not provide for the two points mentioned in the foregoing Resolution.

FORT WILLIAM, 4th March, 1840.

No. 50 of 1840.—The following Rules, published in the Financial Department, under date the 29th January 1840, are promulgated for the information of the Army.

FORT WILLIAM,  
FINANCIAL DEPARTMENT,  
THE 20TH JANUARY, 1840.

The following Rules for the grant of leave of absence and for regulating deductions from Salaries and Deputation Allowances having been approved and passed by the Hon'ble Court of Directors are published for general information, and will take effect in all the Presidencies, Settlements and Stations under the Government of India from the date of the arrival of the *Gazette* containing them in respect to all leaves of absence granted after that date. The notes show the interpretation put by the Council of India upon

the rules in their application to cases not specifically mentioned.

*Rules for Application for Leave of Absence and for fixing the local limits within which it may be granted.*

Sec. 1. No leave of absence from any Office or Station can be granted, but by the Government of the Presidency under which the employment is held, and in the application of the party requiring such leave, saving in such cases as may hereafter be specially excepted. The application must be made publicly through the regular channel in the Department to which the applicant may belong.

Sec. 2. The official allowances of the holder of a Civil Office quitting his Station without leave will entirely cease from the date of his quitting until his return, or in the event of his subsequently obtaining leave to the date of such leave being granted to him.

Sec. 3. No leave of absence shall have any retrospective effect except in cases of severe illness, to be attested by Medical Certificate, conforming in every respect to the directions contained in Section 5.

Sec. 4. Upon application duly made the Government of each Presidency may grant leave of absence to any place or places in the Continent of India, whether within the Territories subject to the Government of the East India Company or not to any Civil or Military Servant holding a Civil appointment, subject to all the conditions prescribed in the rules that may be applicable to his case. Upon similar application the Government of each Presidency may also grant leave to such persons subject to the like conditions, to proceed to the Island of Saint Helena, the Colony of the Cape of Good Hope, or to any place situate between the 30th Degree of North Latitude and the 50th Degree of South Latitude, such place being likewise between the 30th and the 180th Degrees of Longitude East of Greenwich, excepting however any Islands in the Mediterranean or Levant, and excepting all places within the said Geographical limits which may form part of Europe. Provided also, that if at any time the Government of India shall deem it expedient to exclude any place or places within the limits above described from the operation of these rules, such exclusion shall be officially communicated to the subordinate Governments, and all leaves subsequently granted shall be regulated accordingly. A Servant passing the limits herein prescribed will incur the immediate forfeiture of his Office or employment, and of all Official Allowances whatever from the date of his quitting India.

#### CHAPTER 2.

##### *Rules for Sick Leave.*

Sec. 5. When an application for leave of absence is made on the ground of ill health it must be accompanied by a Certificate from the Medical Officer by whom the applicant has been attended, distinctly stating from the personal observation the nature of the disease, the symptoms by which it is manifested, the period during which it has existed as far as the knowledge of the Medical Officer extends, and the necessity for temporary removal to some other place either within the Territories subject to the Government of the East India Company or beyond them, but within the limits laid down in Section 4, as the case may be, and such Certificate must be submitted to the consideration of the Medical Board, and if satisfactory shall be countersigned by one of its Members. An application for an extension of leave must, if the applicant be in India, be accompanied by a Certificate from the Medical Officer by whom the applicant is attended, showing sufficient reason for the extension solicited, and such Certificate like the former must be examined and countersigned by a Member of the Medical Board. If the applicant shall have proceeded beyond the Territories under the Government of the East India Company, he must furnish a Certificate to the required effect from a Surgeon or Physician at the place of his temporary residence by whom he has been attended, such attendance and the period of it to be stated, and the Certificate to be countersigned by the principal Medical Authority of the Colony or Country. When any of the required particulars are neglected leave will be refused.

Sec. 6. Civil Servants absent from their Stations under Medical Certificate will be entitled to the Salary of their respective Offices subject to the following deductions. If the Salary exceed Rupees 2,000 per Mensem, one-sixth for the first year and for the second year one-fourth. If the salary do not exceed Rupees 2,000 per mensem, one-eighth for the first year and one-sixth for the second. But if the Salary of Office be not more than Rupees 500 per mensem no deduction shall be made for the first year, and if it be only so much more than the prescribed deduction of one-eighth would reduce the Allowance below Rupees 500 per mensem, only the excess beyond Rupees 500 shall be deducted. For the second year the Absentee shall become liable to the deduction of one-eighth. An absent Servant shall in no case retain any Office or employment, nor be permitted to draw any portion of Official Salary for a longer period than two years, but a Civil Servant who may on account of sickness, duly certified, obtain an extension of leave beyond two years, will, if below the rank of a senior Merchant, be allowed to draw the subsistence allowance of a Junior Merchant, and if a Senior Merchant the subsistence allowance of his rank; but if he continue absent in disobedience of an order to return or without sufficient cause shown, that Allowance also will be forfeited. The period of absence shall be computed from the date at which the absentee shall quit the limits of the Territories subject to the Presidency to which he may belong, to the date of his return within such limits, or if he shall proceed beyond sea from the date of his embarking at any place or port in India which is not more distant from his Station than the ports of his own Presidency; but if the place to which he shall proceed shall be within the Territories subject to such Presidency, his period of absence shall be computed from the date of his quitting his station to the date of his return thereto.

Sec. 7. Civil Servants absent on leave on account of sickness, duly certified, if they proceed to England without returning to their Presidency, may as heretofore, apply to be admitted to Furlough by the Honorable the Court of Directors, and the Furlough will in such cases take effect from the date of leaving their Presidency, consequently the allowances of Office that may have been drawn by themselves or by their Agents after their departure, must in that case be readjusted, and the difference refunded.

Sec. 8. No second leave will be granted to any Civil or Military Servant holding a Civil Appointment who has been absent under the above rules for two years, until three years at the least shall have passed after the date of such Servant's return, but if such a Servant is compelled by sickness again to absent himself from his Station within three years after having been absent under the above rule for less than two years, he will be allowed to complete that period, subject to the limitations and conditions heretofore prescribed, of drawing the proportion of Salary allowed for the remaining time as if the leave had been continuous.

*Note.—This rule applies to all descriptions of leave on account of health excepting those granted under Sec. 12.*

*Thus a second leave within the Presidency no less than a second leave to sea will be computed as forming part of the period of two years, if taken before three years have elapsed since returned from the first leave, and the deductions will be made upon computation of the accumulated period of absence under all such leaves taken without the intervention of three years of consecutive service.*

Sec. 9. Military Officers employed in the Civil Department and drawing a Civil allowance may obtain leave under Medical Certificate on precisely the same conditions as Civil Servants except as to allowances. Such Officers, in common with those holding Staff situations in the Military Department, will draw the Military Pay and Allowances of their rank while absent on leave under Medical Certificate, in the form and manner prescribed in General Orders, in the Military Department, and likewise one-half of the difference between such allowances and the civil pay of the Offices to which they stand appointed.

Sec. 10. Civil or Military Servants holding Civil appointments who may desire to avail themselves of the benefit of the Act I. Vic Cap. 47, and to draw their allowances while absent on account of sickness under the above rules, will be required to give security in such amount and form as may be fixed by the Government for the refund of any sum that may be

drawn, either by the Agents at the Presidency or by themselves in case of their proceeding to Europe on Furlough or otherwise coming under retrenchment.

Sec. 11. The Government of each Presidency may grant to Civil or Military Servants holding Civil appointments leave of absence for one month in each year without deduction from the Salaries and Emoluments drawn by such Servants. Such leave however will only be granted when the Government is satisfied that no inconvenience will arise from the departure of the Officer seeking it. No second leave can be granted under this rule until the completion of eleven months from the expiration of the last leave, but Servants not availing themselves of the indulgence in any one year may obtain, under the like conditions, leave of absence for two successive months, to commence at or after the expiration of 22 months from the termination of their former leave, and if two years elapse without enjoyment of the privilege, leave for three months may in like manner be granted at the expiration of 33 months from the termination of the last preceding leave. But no leave shall be granted under this rule for any period exceeding three months. If an Officer shall not return at the expiration of the period of leave granted him under this rule, he shall, if absent on private affairs, be subjected to the deduction of one-third of his Salary and Allowances for the entire term of absence, and if he shall continue absent for more than one month beyond the term granted, his Office shall become vacant. If his protracted absence be occasioned by sickness, the case must be determined under the Provisions of Chapter 2.

Sec. 12. The Government of each Presidency may on sufficient cause being shewn, grant to a Civil or Military Officer holding a Civil Office, special leave of absence on private affairs. Provided however, that if any Officer to whom such leave shall be granted shall be absent from his Station for any period exceeding that to which under the last rule he may be entitled without deduction, the absentee if a Civil Servant shall for the period in excess draw no more than one half of his Salary and Allowances, and if a Military Officer only, so much of the Salary and Allowances of any Civil Office to which he may stand appointed as added to the Military Pay and Allowances which he may be entitled to draw shall equal one-half of the emoluments of such Civil Office. After an absence of three months (exclusive of any period which may be granted under Section 11) any Office held by the absentee shall become vacant. No second leave under this rule can be granted until after the expiration of five years from the termination of the former leave, and the Government is specially to report each case with all the attendant circumstances to the Court of Directors.

#### CHAPTER 4.

##### "Rules for Leave preparatory to embarkation and for joining Stations."

Sec. 13. For embarkation to Europe on furlough or with leave under Medical Certificate, or preparatory to retirement from the Service, a Civil or Military Servant holding a Civil appointment may take leave under such of the preceding Rules as may apply to his case. If an Officer desirous of retiring or about to proceed to Europe on furlough, shall not under the previous rules be entitled to any leave of absence, special leave may be granted him for one month if the distance from his Station to the Presidency or the Port to which he shall intend to embark shall not exceed 800 miles, for two months if the distance be more than 800 and less than 600 miles, or if for three months if it shall exceed 600 miles, but such leave can only be granted under Medical Certificate, and the Absentee, if a Civil Servant, shall be subjected to the deduction of one-third of his Salary and Allowances if not more than 2,000 Rupees per month, and of one-half if they exceed that sum. At the expiration of such special leave it may be renewed for one month, subject to the same deductions on satisfactory evidence being produced that the Servant has been prevented from returning by force of circumstances, or by the difficulty of procuring a passage, but no further leave can be granted under this rule. If a Military Officer, who may obtain special leave under this rule, shall draw more than 2,000 Rupees per month, he shall be added to the list of Officers on Special Leave, and shall be subject to the same deductions as Civil Servants.

half of his Civil emoluments. If a Civil or Military Servant holding Civil Office who may have obtained leave with the intention of embarking for Europe on Furlough, or retiring from the Service, shall subsequently abandon the intention and return to his Station, his absence will be regulated under such of the Rules in Chapters 2 and 4 as may be applicable.

Sec. 14. There shall be allowed to Officers appointed to any new Office the periods of one month, two months or three months

*Note.—This rule is only applicable to Civil Servants. Military Officers appointed to Civil Office will draw Salary only from the date of joining as heretofore, the rule in force in respect to Staff Situations being applicable to them.*

for joining accordingly as the distance may not exceed 800 or 600 miles, or be in excess of the last mentioned distance. Officers not joining their Station within the said periods respectively shall forfeit their Salary for the time delayed in excess of the above periods, and if such excess shall exceed one month, the Office shall be vacated unless otherwise specially ordered by Government.

Sec. 15. Upon the first appointment of any Civil Servant who shall be reported qualified for the Public Service by the Examiners appointed by the Government, to any Civil Situation, there shall be allowed for travelling expenses to the Station an allowance at the rate of 8 annas per mile by the direct Post road according to the Polymetrical Tables of the Post Office, the Bill for which allowance will be passed by the Civil Auditor after the Officer shall have joined the Station: if required in advance an order of the Government shall be necessary.

Sec. 16. The Salary of Office will be payable from the date only of the Officer joining, but in the case of Junior Civil Servants, the Salary of Assistant will be payable from the date of their being reported qualified for the Public Service, unless forfeited under the preceding rule through delay in joining the Station to which they may be appointed.

Sec. 17. In case of a change of Office when an Officer is appointed to a higher situation, he shall not draw the higher salary until he joins.

*Note.—This rule also is only applicable to Civil Servants. Military Servants drawing as in the case of Staff Situations no Civil Salary from the time of leaving one Office till the date of joining the other.*

he is about to join a sum equal to that of his previous situation.

#### CHAPTER 5.

##### "Rules for Deputation Allowances."

Sec. 18. The sum of Company's Rupees 52,200 per annum, having been fixed under the orders of the Court of Directors, as the Maximum Salary of Civil Office for the Offices of Government under the situation of Member of Council—Civil and Military Servants holding Office in the Political Department, who may draw larger Allowances than this annual sum as a consolidated personal and sumptuary Allowance in consideration of the necessary expenses of their position, will in all cases of absence be treated in respect to deductions as drawing only the Allowance thus limited, and the excess above the Monthly Salary yielded by that annual sum, shall remain as a local addition to the usual Deputation Allowance to be drawn by the Officer performing the duties to meet the necessary expenses of his position.

*Note.—This rule will equally apply in case of a Political Resident taking a leave of three months for which in other cases he would suffer no deduction. The excess above the maximum Monthly Salary will in that case be enjoyed by the person in Charge.*

Sec. 19. Deputation Allowances shall be granted to Civil Servants temporarily performing the duties of an Officer attached to the following localities, and

subject to the limitations and conditions hereinafter laid down.

*To Civil Servants out of Employ.*

*To Civil Servants holding an Office of inferior Emolument when Officiating for a Superior.*

Exceeding " 1,200 Not exceeding " 2,000	" 170	" 430	
Exceeding " 2,000	" 270	" 650	

*Note.—Military persons acting for other Military persons holding Civil Office, will, as in the case of Staff, draw half the difference between the incumbent Military Allowances, and the consolidated Civil Salary as at present, that is, will draw the amount retrenched from the absentee, but when acting for a Civil Servant, they will draw at the rates of this table and under the same rules as Civil Servants.*

A Civil Servant acting for another will have no claim to Commission or Fees, where any such sources of emolument exist. These will be regarded as forming part of the income of the Officer to be relieved by the occupant, subject to the prescribed deductions. The grant of special Allowances—of Allowances to Commissioners, and other Officers for travelling expenses, and to Officers of Districts or Assistants, when employed on Settlement or special Police Duties, will be regulated by a supplemental set of Rules.

Sec. 20. No Civil Servant temporarily officiating for another shall draw an amount larger than the entire emoluments of the Office in which he is officiating, and if the amount of the Deputation Allowance according to the prescribed scale added to the permanent emoluments of the Officiating Servant, would exceed the emoluments of the Office in which he is temporarily acting, the excess shall not be drawn. But this provision shall not apply to the case of any Officer deputed for special reasons to act in an Office of inferior emolument to his own. In cases where an Officer holding two appointments is being deputed to officiate for another shall be relieved only from one, he shall receive no Deputation Allowance unless the emoluments of the Office in which he is deputed to act, exceed the united emoluments of his permanent appointments, and in that case the Deputation Allowance shall be limited to the difference.

Sec. 21. No Subordinate Officer acting for his Principal or for any other person holding a superior appointment in the same Office or Establishment, at the same Station, shall be entitled to any Deputation Allowance until after the expiration of three months, and then the Allowance is not to be drawn in arrear. But a Servant previously out of employment, or who may be deputed to act from a different Station, shall be entitled to Deputation Allowance from the date at which he may enter upon the discharge of the duties to which he has been temporarily appointed.

Sec. 22. A Civil Servant out of employment, if deputed to act at a distance and Civil Servants having permanent employment, who may be deputed and who may be restricted by any provision

in these rules to the allowance of their own office, shall be permitted to draw Travelling Allowances at the rate sanctioned in the case of a first appointment. When the entire sum received as Deputation Allowance may fall short of that which, according to the distance would be allowed for travelling expenses, the difference may be drawn. In all cases of absence under Medical Certificate, and in cases of absence on private affairs, when the absent Officer shall not be subject to deduction, such payments shall be made at the charge of the Government.

*CHAPTER 6.*

*"Rules for Chaplains and Assistant Chaplains."*

Sec. 23. Chaplains and Assistant Chaplains may, under Medical Certificate, obtain leave of absence subject to all the deductions, conditions and limitations prescribed in the case of Civil Servants, but no Chaplain or Assistant Chaplain can be permitted to draw any Allowance, when his period of absence shall have exceeded two years.

Sec. 24. The Government of each Presidency may grant to Chaplains and Assistant Chaplains special leave of absence on private affairs, but if such absence shall exceed the period to which the Absentee may be entitled under the following Rule, they shall for the period in excess be subjected to the deduction of one-half of their Allowances, and after an absence of six months, (in addition to any leave granted under the succeeding Rule,) all Allowances shall be discontinued.

Sec. 25. Leave of absence for one month in each year, or for two or three months as the case may be, under the principle sanctioned in Sec. 11, may be granted to Chaplains or Assistant Chaplains by the Bishop of the Diocese, or when the Diocese may be vacant (but not otherwise) by the Archdeacon or other Ecclesiastical functionary performing the duties of an Archdeacon or Commissary: and such leave being consistent with the rule will be recognized by the Civil Auditor after it has been published in the *Government Gazette* of the Presidency with the authority of Government. Information of every leave so granted by the Bishop or other Ecclesiastical Officer above mentioned, shall be immediately transmitted to the proper Secretary in Government for the purpose of notification in the *Gazette*.

Sec. 26. For embarkation on furlough, or sick leave, or with the intention of retiring from the Service, Chaplains and Assistant Chaplains are entitled to the benefits of Sec. 13 on the same conditions on which they are enjoyed by Civil Servants.

Sec. 27. On joining a Station in the interior after arrival in India, a Chaplain or Assistant Chaplain will be allowed the same rate of travelling charges, and be subjected to the same rules in respect to joining his Station as a Civil Servant. On any subsequent transfer from one Station to another, the same allowance will be made if the transfer take place not at the desire of the Chaplain removed, but by order of Government.

*Officers of the Assay Department.*

Sec. 28. The Assay Master and Deputy or Assistant Assay Master of any Mint in India may obtain leave of absence under Sick Certificate, or on private affairs, subject to the conditions in the Rules forming Chapters 1 to 5. The absentee if in the enjoyment of any Military Pay or Allowance will, during his absence, be subject to the deductions prescribed in the case of Military Officers holding Civil employments. If not a Military Officer, the Absentee will be subject to the same deductions as a Civil Servant under similar circumstances, but no Officer of the Assay Department can be permitted to draw any portion of Salary for a longer period than two years if absent under Sick Certificate, nor for a longer period than three months, (exclusive of any period granted under Sec. 11,) if absent on private affairs.

The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such time as they may see fit to sell the Goods, for the purpose so re-paying the Company the amount of the Advances made thereon, including Freight and other charges or expenses which the Company may be incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

rectors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payment of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

THE 30th MARCH, 1840.

The following Act passed by the Right Hon'ble the Governor General of India in Council on the 20th of March 1840, is hereby promulgated for general information.

Act No VI. of 1840.

*An Act for the Amendment of the Law concerning the negotiation of Bills of Exchange.*

1. Whereas it is expedient to extend to the Territories under the Government of the East India Company the amendments of the Law respecting Bills of Exchange contained in the Statutes 55 Geo. 3 Cap. 50—1 and 2 Geo. 4, C. 77—3 and 7, W. 4, C. 80—1 and 3 W. 4, C. 80;

It is hereby enacted, that from and after the first day of May, in the year of our Lord 1840, if any person shall accept a Bill of Exchange payable at any other place than at his own place of residence without further expression in his acceptance, such acceptance shall be deemed and taken to be to all intents and purposes a general acceptance. But if the acceptor shall, in his acceptance, express that he accepts the Bill payable at such other place only, and not otherwise or elsewhere such acceptance shall be deemed and taken to be to all intents and purposes, a qualified acceptance of such Bill, and the acceptor shall not be liable to pay such Bill except in default of payment when such payment shall have been duly demanded at such other place.

2. And it is hereby enacted, that after the day and year aforesaid no acceptance of any Bill of Exchange drawn within the Territories of the East India Company, shall be sufficient to charge any person unless such acceptance be in writing on such Bill, or if there

be more than one part of such Bill, on one of the said parts.

3. And it is hereby enacted, that it shall not be necessary to present Bills of Exchange accepted supra protest for honor, or having a reference thereon in case of need to the acceptor or acceptors for honor, or to the referee or referees, until the day following the day on which such Bills of Exchange shall become due, and if the place of address on any such Bill of Exchange of such acceptor or acceptors for honor, or of such referee or referees be other than where such Bill shall therein be made payable, then it shall not be necessary to forward such Bill of Exchange for presentment for payment to such acceptor or acceptors for honor, or referee or referees, until the day following the day on which such Bill of Exchange shall become due.

4. And it is hereby enacted, that all Bills of Exchange wherein the drawer or drawers thereof shall have expressed that such Bills of Exchange are to be payable in any place other than the place by him or them therein mentioned to be the place of residence of the drawee or drawees thereof, and which shall not on the presentment thereof be accepted, shall or may be, without further presentment to the drawee or drawees protested for non-payment in the place in which such Bills of Exchange shall have been by the drawer or drawers expressed to be payable, unless the amount owing upon such Bills of Exchange shall have been paid to the holder or holders thereof on the day on which such Bill would have become payable had the same been duly accepted.

5. And it is hereby enacted, that no Bill of Exchange or Promissory Note that shall be drawn or made after the passing of this Act shall, though it may have been given for a usurious consideration, or upon a usurious contract, be void in the hands of an Indorsee for valuable consideration, unless such Indorsee had, at the time of discounting or paying such consideration for the same, actual notice that such Bill of Exchange or Promissory Note had been originally given for a usurious consideration, or upon a usurious contract.

6. And it is hereby provided, that this Act shall not be construed to extend to affect Bills of Exchange or Promissory Notes, in any case which, but for the passing of this Act, would not be governed by the law of England, or to extend or alter the jurisdiction of any of Her Majesty's Courts of Justice.

## INDIAN LAUDABLE AND MUTUAL ASSURANCE SOCIETY.

### DIRECTORS.

C. B. Greenlaw, T. E. M. Fenton, Dwarkanath Tagore, J. Colquhoun, Rustonjee Cowasjee, Wm. Patrick, T. B. Swinhoe, A. de H. Larpent, John Sturm, and W. J. Twentymen, Esquires.

### SECRETARY.

James Cullen.

### TREASURER.

Union Bank.

### MEDICAL ADVISER.

H. H. Goodere, Esq., M. D.

The Directors of the Indian Laudable and Mutual Assurance Society venture confidently to invite public attention to the principles of the Institution, and to the present state of its Funds.

For the first, it is strictly a **MUTUAL ASSURANCE SOCIETY**, in which all profits are rateably divided among the Assurers themselves, thereby reducing the amount premium to the lowest possible rate.

For the second, the Society on the 26th ultimo, stood as follows:—

Outstanding Risks on 304 lives, ... Co.'s Rs. 35,74,000

### ASSETS—Actual Funds.

Premium Fund, ..... Co.'s Rs. 2,43,383  
Guarantee Fund, ..... " 2,18,111

Co.'s Rs. 5,61,444

or equal to 15½ per Cent. on the Outstanding Risks.

Parties entering this Society attain at once a Proprietary interest in the Premium Fund and in the interest of the Guarantee Fund, of precisely the same character as the oldest Assurer.

They become immediately entitled to their Share of the Profits, which accumulates to their personal credit in the Guarantee Fund, until it amounts to 10 per Cent. on the amount individually assured, after which it becomes available for reduction of the amount Premium. The amount thus accumulated individually in the Guarantee Fund, is payable in the event of lapse immediately on due proof of lapse, together with the amount assured, an arrangement which, while it adds to the security of the Society, effects the assurance at the lowest possible rate. In the event of withdrawal from the Society whether assured for life or contingent on being assured for a term only, the amount is payable to the retiring Assurer, minus 25 per Cent. to be carried to the Premium Fund;—Thus a party assuring though only for one year and even retiring at the close of the first half year, is entitled to receive 3-4ths of the profits accruing to him—an advantage to parties assuring for short periods accorded by no other Office.

So that a party of the age of 25—assuring his life for one year for 2000 Rs., would pay 60 Rs., and at the expiration of the year, if the Profits amount to 20 per Cent. on the total premium paid during the year his portion would be 12 Rs., of which Rs. 9 would be returned to him, thus reducing the amount premium paid to 51 Rs., and in all other cases in the same proportion.

J. CULLEN, Secretary.

## BENGAL CIVIL SERVICE ANNUITY FUND.

We the undersigned Subscribers to the Bengal Civil Service Annuity Fund request, under Article 25 of the Rules of the Institution, that the Managers will convene a Special General Meeting of Subscribers to the Fund to be held at the Town Hall at 11 A. M., on Tuesday the 21st of April, for the purpose of taking into consideration the following proposed Resolution.

### PROPOSED RESOLUTION.

That whereas the operation of the additional Rules Articles 35 and 36 passed on the 11th of July 1836, whereby two-thirds of the value of Annuities of any year remaining on the 1st of May untaken at half premium is available for granting a reduced number of Annuities at quarter premium, with a refund of excess Subscriptions will not expire on the 30th of April, 1840; if the sanction of the Honorable Court for the continuance of the same be received before the 1st of May 1840; but nevertheless, under Article 38 of the additional Rules passed on the said 11th of July 1836, it is "competent to a majority of the Subscribers in India, whenever they shall be satisfied that the number of annual Retirements from the service is such as to require that all the Annuities of each year should be reserved to meet the applications of candidates in future years, to suspend the operation of the above Rules, (viz. Articles 35 and 36) by a Resolution to that effect duly passed at a general meeting;

And whereas, on the 7th of April 1838, the Subscribers to the Fund memorialised the Hon'ble Court praying that they would "permit the Fund to grant Annuities not exceeding nine in number to the extent of the annual fixed income of the Fund from Subscriptions, (your Honorable Court's donation, and interest on the fixed capital, under the condition of requiring retiring servants to make good to the extent of a quarter of the value of their Annuities, receiving no refund of any excess of the amount of their Subscriptions, in case there should at the time of retirement, with interest, exceed the quarter value of the Annuity taken;" to which memorial no answer has yet been received;

And whereas the present circumstances of the service require the full complement of nine Annuities to be annually taken, and the attainment of that object is materially impeded by the present uncertainty as to the terms on which Annuities will be temporarily available;

And whereas the system of giving refunds of excess subscriptions with interest, is directly opposed to the objects of the Institution, by inducing qualified Subscribers to postpone the period of retirement, and by reducing very materially the number of Annuities available;

Resolved, first by that the operation of the above Rules, Articles 35 and 36, shall cease from the 1st of May 1840.

Secondly, that the Subscribers will accede to any proposal that the Honorable Court may be pleased to approve, with reference to the Memorial of the 7th of April 1838, for the grant of Annuities in terms more favorable than half premium, provided that the full number of nine Annuities prayed for in the said Memorial be thereby available, and provided further that the system of Refunds be thereby discontinued.

Thirdly, that the present circumstances of the service are such as to render it inadvisable for the Subscribers to alter the original Rules of the Fund in any manner which shall not provide for the two points mentioned in the foregoing Resolution.

The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, transacted to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance or payment of the Bills, the Court of Directors to be authorized, in such manner and at such time as they may see fit to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, together with any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Di-

rectors, according to a form which will be furnished by the Officers of Government (or, authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payments of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

*Extract of a Despatch from the Hon'ble the Court of Directors in the Financial Department, dated the 17th August, No. 13 of 1838.*

6.—Several Packages of Tobacco upon which you have made Advances have been seized by the Officers of Customs, in consequence of their having been imported in illegal Packages.—Extracts from the Acts 3 and 4, Will. 4, Cap. 52, Sec. 58, and 6th and 7th Will. 4, Cap. 60, Sec. 4, relating to the Article of Tobacco, are transmitted in the Packet.

The following Act passed by the Right Hon'ble the Governor General of India in Council on the 2d of March 1840, is hereby promulgated for general information.

Act No. VI. of 1840.

*An Act for the Amendment of the Law concerning the negotiation of Bills of Exchange.*

I. Whereas it is expedient to extend to the Territories under the Government of the East India Company the amendments of the Law respecting Bills of Exchange contained in the Statutes 58 Geo. 3 Cap. 90—1 and 2 Geo. 4. C. 79—6 and 7 W. 4. C. 58—2 and 3 W. 4. C. 98;

It is hereby enacted, that from and after the first day of May, in the year of our Lord 1840, if any person shall accept a Bill of Exchange payable at any other place than at his own place of residence without further expression in his acceptance, such acceptance shall be deemed and taken to be to all intent and purposes a general acceptance. But if the acceptor shall, in his acceptance, express that he accepts the Bill payable at such other place only, and not otherwise or elsewhere such acceptance shall be deemed and taken to be to all intents and purposes, a qualified acceptance of such Bill, and the acceptor shall not be liable to pay such Bill except in default of payment when such payment shall have been duly demanded at such other place.

II. And it is hereby enacted, that after the day and year aforesaid no acceptance of any Bill of Exchange drawn within the Territories of the East India Company, shall be sufficient to charge any person unless

such acceptance be in writing on such Bill, or, if there be more than one part of such Bill, on one of the said parts.

III. And it is hereby enacted, that it shall not be necessary to present Bills of Exchange accepted supra protest for honor, or having a reference thereon in case of need to the acceptor or acceptors for honor, or to the referee or referees, until the day following the day on which such Bills of Exchange shall become due, and if the place of address on any such Bill of Exchange of such acceptor or acceptors for honor, or of such referee or referees be other than where such Bill shall therein be made payable, then it shall not be necessary to forward such Bill of Exchange for presentment for payment to such acceptor or acceptors for honor, or referee or referees, until the day following the day on which such Bill of Exchange shall become due.

V. And it is hereby enacted, that no Bill of Exchange or Promissory Note that shall be drawn or made after the passing of this Act shall, though it may have been given for a usurious consideration, or upon a usurious contract, be void in the hands of an Indorsee for valuable consideration, unless such Indorsee had, at the time of discounting or paying such consideration for the same, actual notice that such Bill of Exchange or Promissory Note had been originally given for a usurious consideration, or upon a usurious contract.

VI. And it is hereby provided, that this Act shall not be construed to extend to affect Bills of Exchange or Promissory Notes, in any case which, but for the passing of this Act, would not be governed by the law of England, or to extend or alter the jurisdiction of any of Her Majesty's Courts of Justice.

#### POST OFFICE NOTICE.

**NOTICE**—Under the Orders of the Hon'ble the President in Council, from and after the 15th of the ensuing month of January, there will be a second despatch, daily, from Calcutta to Khamrah, six stages in advance of Berhampore; as, also, a second daily despatch thence to Calcutta. The ordinary Mail, from Calcutta, as at present, will go out at 8 p.m. The other daily despatch will be sent off at noon.

The mid-day despatch will convey letters, newspapers, &c. for the stations noted in the margin, thus giving them an advantage of 8 hours over the night Mail. The hour most suitable for despatching the second daily Mail from Khamrah will be fixed by the local Post Master, so that, similar convenience may be afforded to the Public, by a saving of 12 hours, more or less, in the arrival of letters, &c. in Calcutta from the stations specified.

It has not been found expedient to extend the double despatch on this line of Dawk route, beyond Khamrah, as the great increase of expense for the maintenance of the additional establishment which would thus be required, would not be compensated for by the advantage likely to be gained.

Arrangements are making for adopting a similar double-despatch, along the whole line of Dawk route, from Calcutta to Kurnaul, which will, probably, be brought into operation by the 1st of February next; but of which, further notice will be given, hereafter.

Letters for the stations specified which may be intended for transmission by the mid-day Mails, must be delivered at the General Post Office between the hours of 10 and 11½ a.m.

#### POST OFFICE NOTICE.

**NOTICE**.—Under the Orders of the Hon'ble the President in Council, from and after the 15th of the ensuing month of January, there will be a second despatch, daily, from Calcutta to Khamrah, six stages in advance of Berhampore; as, also, a second daily despatch thence to Calcutta. The ordinary Mail, from Calcutta, as at present, will go out at 8 P. M. The other daily despatch will be sent off at noon.

The mid-day despatch will convey letters, newspapers, &c. for the stations noted in the margin, thus giving them an advantage of 8 hours over the night Mail. The hour most suitable for despatching the second daily Mail from Khamrah will be fixed by the local Post Master, so that, similar convenience may be afforded to the Public, by a saving of 12 hours, more or less, in the arrival of letters, &c. in Calcutta from the stations specified.

It has not been found expedient to extend the double despatch on this line of Dawk route, beyond Khamrah, as the great encrease of expense for the maintenance of the additional establishment which would thus be required, would not be compensated for by the advantage likely to be gained.

Arrangements are making for adopting a similar double-despatch, along the whole line of Dawk route, from Calcutta to Kurnaul, which will, probably, be brought into operation by the 1st of February next; but of which, further notice will be given, hereafter.

Letters for the stations specified which may be intended for transmission by the mid-day Mails, must be delivered at the General Post Office between the hours of 10 and 11 A. M.

East India Army Agency,

16, CORNHILL, AND 8, ST. MARTIN'S PLACE, CHARGING CROSS.

Messrs. GRINDLAY, CHRISTIAN, & MATTHEWS

THE numerous communications which have been addressed to Captain Grindlay from all parts of India, conveying the most flattering approbation of the manner in which his duties to his constituents have hitherto been performed, and the most cordial assurances of support to the new Firm, commenced in November, 1878, are felt by him to call for a public expression of gratitude.

In thus offering his thanks for the extensive and honorable patronage long afforded to the Establishment under his sole management, and now so kindly promised to the Firm of GRINDLAY, CHRISTIAN AND MATTHEWS, he begs to assure his numerous friends and well wishers, that the efforts of himself and his partners will be unremittingly directed to merit the continued confidence reposed in them by the various branches of the Indian community, both at home and abroad.

The high character attained by the Establishment under his superintendence has been the result of many years' perseverance,—its pretensions were tested by experience, and the value of the facilities which it afforded for the dispatch of business, tried and vouched for by a large proportion of those whose engagements led them to India. It is acknowledged with pride, that success followed exertion, and the means have thus been obtained of increasing the resources of the Establishment and greatly enlarging the circle of its usefulness.

In conclusion, Messrs. GRINDLAY, CHRISTIAN AND MATTHEWS have only to remind their Subscribers and the Public at large, that they continue to transact every description of business connected with India and the Colonies.

Parties desiring to support this Agency are informed that Subscriptions of 12 Rupees per annum will be received by

Messrs. COLVIN, ALLEN, COHEN & Co., Calcutta.  
Messrs. SINNY & Co., Madras.  
Messrs. LUCKIE & Co., Bombay.  
Messrs. FRITH & Co., Do.

### ADVERTISEMENT

It being understood that Public Officers, in ignorance of the existence and nature of the Orphan Press Contract with Government, occasionally employ other Presses to the prejudice of the Orphan Institution, the General Management deem it expedient to publish, for general information, the following extract of a Letter from Mr. Secretary Prinsep, shewing that the Orphan Press has the exclusive privilege of Printing for Government.

"I am directed to acknowledge the receipt of your letter of the 6th instant, and in reply to state that it is by no means the intention of the Government to withdraw any part of its printing business from the Orphan School Establishment, or to allow Public Officers to give a preference to other Presses. On the contrary, the Vice President in Council has declared his readiness to enquire into every case in which other Establishments may be employed to the prejudice of the interests of the Orphan School, whenever such may fall under his notice or be made the subject of representation.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Government, or Authorized Agents of the East India Company, an Advance not exceeding three-fifths of such ascertained value will be made.

The rate of Exchange to be determined from time to time at the place where the Advance is made under the Court's orders.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn

deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England; and in cases where interest shall have accrued, such interest shall be computed at the rate or rates per cent. at which the Company have allowed Discount during the period for which such interest is chargeable.

9th.—Parties or their Agents will be required to insure the Goods from fire, and deposit the Policies with the East India Company; such Insurance to take effect from the date of the termination of the Sea risk. 10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Di-

rectors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payments of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

**BENGAL CIVIL SERVICE ANNUITY FUND.**

We the undersigned Subscribers to the Bengal Civil Service Annuity Fund request, under Article 25 of the Rules of the Institution, that the Managers will convene a Special General Meeting of Subscribers — the Fund to be held at the Town Hall at 11 A. M., on Tuesday the 21st of April, for the purpose of taking into consideration the following proposed Resolution.

**PROPOSED RESOLUTION.**

That whereas the operation of the additional Rules Articles 35 and 36 passed on the 11th of July 1836, whereby two-thirds of the value of Annuities of any year remaining on the 1st of May untaken at half premium is available for granting a reduced number of Annuities at quarter premium, with a refund of excess Subscriptions will not expire on the 30th of April, 1840, if the sanction of the Honorable Court for the continuance of the same be received before the 1st of May 1840; but nevertheless, under Article 38 of the additional Rules passed on the said 11th of July 1836, it is "competent to a majority of the Subscribers in India, whenever they shall be satisfied that the number of annual Retirements from the service is such as to require that all the Annuities of each year should be reserved to meet the applications of candidates in future years, to suspend the operation of the above Rules, (viz. Articles 35 and 36) by a Resolution to that effect duly passed at a general meeting;

And whereas, on the 7th of April 1838, the Subscribers to the Fund memorialised the Hon'ble Court praying that they would "permit the Fund to grant Annuities not exceeding nine in number to the extent of the annual fixed income of the Fund from Subscriptions, (your) Honorable Court's donation, and interest on the fixed capital, under the condition of requiring retiring servants to make good to the extent of a quarter of the value of their Annuities, receiving no refund of any excess of the amount of their Subscriptions, in case these should at the time of retirement, with interest, exceed the quarter value of the Annuity taken;" to which memorial no answer has yet been received;

And whereas the present circumstances of the service require the full complement of nine Annuities to be annually taken, and the attainment of that object is materially impeded by the present uncertainty as to the terms on which Annuities will be temporarily available;

And whereas the system of giving refunds of excess subscriptions with interest, is directly opposed to the objects of the institution, by inducing qualified Subscribers to postpone the period of retirement, and by reducing very materially the number of Annuities available;

Resolved, first by that the operation of the above Rules, Articles 35 and 36, shall cease from the 1st of May 1840.

Secondly, that the Subscribers with a view to any proposal that the Honorable Court may be pleased to approve, with reference to the Memorial of the 7th of April 1838, for the grant of Annuities in terms more favorable than half premium, provided that the full number of nine Annuities prayed for in the said Memorial be thereby available, and provided further that the system of Refunds be thereby discontinued.

Thirdly, that the present circumstances of the service are such as to render it inadvisable for the Subscribers to alter the original Rules of the Fund in any manner which shall not provide for the two points mentioned in the foregoing Resolution.

Treasurers,  
UNION BANK.

Medical Adviser,  
H. H. GOODEVE, Esq., M. D.

The Directors of the Indian Laudable and Mutual Assurance Society venture confidently to invite public attention to the principles of the Institution, and to the present state of its Funds.

For the first, it is strictly a MUTUAL ASSURANCE SOCIETY, in which all profits are rateably divided among the Assurers themselves, thereby reducing the amount premium to the lowest possible rate.

For the second, the Society on the 28th ultimo, stood as follows:—

Outstanding Risks on 304 lives, ... Co.'s Rs. 35,74,000

## ASSETS—Actual Funds.

Premium Fund, .....	Co.'s Rs. 2,43,333
Guarantee Fund, .....	„ 3,18,111

Co.'s Rs. 5,61,444

or equal to 15½ per Cent. on the Outstanding Risks.

Parties entering this Society attain at once a Proprietary interest in the Premium Fund and in the interest of the Guarantee Fund, of precisely the same character as the oldest Assurer.

They become immediately entitled to their Share of the Profits, which accumulates to their personal credit in the Guarantee Fund, until it amounts to 10 per Cent. on the amount individually assured, after which it becomes available for reduction of the amount Premium. The amount thus accumulated individually in the Guarantee Fund, is payable in the event of lapse immediately on due proof of lapse, together with the amount assured, an arrangement which, while it adds to the security of the Society, effects the assurance at the lowest possible rate. In the event of withdrawal from the Society whether assured for life or consequent on being assured for a term only, the amount is payable to the retiring Assurer, minus 25 per Cent. to be carried to the Premium Fund;—Thus a party assuring though only for one year and even retiring at the close of the first half year, is entitled to receive 3-4ths of the profits accruing to him—an advantage to parties assuring for short periods accorded by no other Office.

So that a party of the age of 25—assuring his life for one year for 2000 Rs., would pay 60 Rs., and at the expiration of the year, if the Profits amount to 20 per Cent. on the total premium paid during the year his portion would be 12 Rs., of which Rs. 9 would be returned to him, thus reducing the amount premium paid to 51 Rs., and in all other cases in the same proportion.

4th.—The Parties will be required to place in the hands of the Board of Consignments, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in duplicate. The Bills of Lading must be drawn

deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of repaying the Company the amount of the Advances made thereon, including Freight and any other charges and expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advances, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England; and in cases where interest shall have accrued, such interest shall be computed at the rate or rates per cent. at which the Company have allowed Discount during the period for which such interest is chargeable.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Di-

rectors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payments of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

*Extract of a Despatch from the Hon'ble the Court of Directors in the Financial Department, dated the 17th August, No. 13 of 1838.*

PORT WILLIAM,  
LEGISLATIVE DEPARTMENT,

THE 23RD MARCH, 1840.

The following Draft of a proposed Act was read in Council for the first time on the 23d March, 1840.

ACT No. — OF 1840.

An Act for rendering a written Memorandum necessary to the validity of certain promises and engagements by extending to the Territories of the East India Company, in cases governed by English Law the Provisions of the Statute 9, Geo. IV. Ch. XIV.

It is hereby enacted, that the Statute 9, Geo. IV. Ch. XIV. shall be extended to the Territories of the East India Company: provided always that this Act shall not be construed to affect any case, which, would not have been governed by the Law of England before the passing of the aforesaid Statute, if this Act had not passed; or to extend or alter the jurisdiction of any of Her Majesty's Courts of Justice.

The Statute hereby extended to the Territories of the East India Company is as follows (the sum of £10 mentioned therein to be deemed 100 Rupees in the application of the Statute to the aforesaid Territories.)

9TH GEO. IV. CAP. XIV.

An Act for rendering a written Memorandum necessary to the validity of certain Promises and Engagements. 9th May, 1828.

Whereas by an Act passed in England in the twenty-first year of the

Reign of King James the First, it was among other things, enacted, that all

actions of account and upon the case, other than such accounts as concern the trade of merchandize between Merchant and Merchant, their Factors or Servants, all actions of debt grounded upon any lending or contract without specialty, and all actions of debt for arrears of rent, should be commenced within three years after the end of the then present Session of Parliament, or within six years next after the cause of such actions or suit, and not after. And whereas a similar

Enactment is contained in an Act passed in Ireland in the tenth year

of the reign of King Charles the First, and whereas various questions have arisen in actions founded on simple contract, as to the proof and effect of acknowledgments and promises offered in evidence for the purpose of taking cases out of the operation of the said Enactments; and it is expedient to prevent such questions and to make provision for giving effect to the said Enactments and to the intention thereof. Be it therefore enacted by the King's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority

of the same. That in actions of debt or upon the case, no acknowledgment shall be deemed sufficient unless it be in writing, or by part payment.

Provided also, that in actions of debt or upon the case grounded upon any simple contract no acknowledgment or promise by words only shall be deemed sufficient evidence of a new or continuing contract, whereby to take any case out of the operation of the said Enactments, or to deprive any party of the benefit thereof, unless such acknowledgment or promise shall be made or contained by or in some writing to be signed by the party chargeable thereby, and that where there shall be two or more Joint

Contractors, or Executors or Administrators of any contractor no such joint contractor, Executor, or Administrator shall lose the benefit of the said Enactments, or either of them, so as to be chargeable in respect or by reason only by any written acknowledgment or promise made and signed by any other or others of them. Provided always, that nothing herein contained shall alter or take away or lessen the effect of any payment of any principal or interest made by any person whatsoever.

Provided also, that in actions to be commenced against two or more such

Joint Contractors, or Executors or Administrators, if it shall appear at the trial or otherwise that the Plaintiff, though barred by either of the said recited Acts or this Act, as to one or more of such Joint Contractors, or Executors or Administrators, shall nevertheless be entitled to recover against any other or others of the Defendants, by virtue of a new acknowledgment or promise, or otherwise, judgment may be given and costs allowed for the Plaintiff as to such Defendant or Defendants against whom he shall recover, and for the other Defendant or Defendants against the Plaintiff.

II. And he it further enacted, that if any Defendant or Defendants in any action on any simple contract shall plead any matter in abatement, to the effect that any other person or persons ought to be jointly sued and is or are joined on such Plea, and it shall appear at the trial that the action could not, by reason of the said recited Acts, or this act, or of either of them, be maintained against the other person or persons named in such plea, or any of them, the issue joined on such plea shall be found against the party pleading the same.

III. And he it further enacted, that no indorsement or Memorandum of any payment written or made after the time appointed for this Act to take effect, upon any Promissory Note, Bill of Exchange, or other writing by or on the behalf of the party to whom such payment shall be made, shall be deemed sufficient proof of such payment as to take the case out of the operation of either of the said Statutes.

IV. And he it further enacted, that the said recited Acts and this Act shall be deemed and taken

to apply to the case of any debt on simple contract alleged by way of set off on the part of any Defendant, either by plea, notice, or otherwise.

V. And be it further enacted, that by no action shall be maintained whereby to charge any person upon any promise made after full age to pay any debt contracted during infancy, or upon any ratification after full age of any promise or simple contract made during infancy, unless such promise or ratification shall be made by some writing signed by the party to be charged therewith.

VI. And be it further enacted, that no action shall be brought whereby to charge any person upon or by reason of any representation or assurance made or given, concerning or relating to the character, conduct, credit, ability, trade or dealings of any other person, to the intent or purpose that such other person may obtain credit, money, or goods upon, unless such representation or assurance be made in writing, signed by the party to be charged therewith.

VII. And whereas by an Act passed in England in the twenty-ninth year of the reign of King Charles the Second, intituled An Act for the prevention of Frauds and Perjuries, it is, among other things enacted, that from and after the twenty-fourth day of June one thousand six hundred and seventy-seven, no contract for the sale of any goods, wares and merchandizes, for the price of ten pounds sterling or upwards, shall be allowed to be good except the buyer shall accept part of the goods so sold, and actually receive the same, or give something in earnest to bind the bargain, or in part of payment; or that some note or memorandum in writing of the said bargain be made and signed by the parties to be charged by such contract, or their Agents thereunto lawfully authorized. And whereas a similar Enactment is contained in an Act passed in Ireland in the seventh year of the reign of King William the Third. And whereas it has been held that the said recited Enactments do not extend to certain executory contracts for the sale of goods, which nevertheless are within the mischief thereby intended to be remedied; and it is expedient to extend the said Enactments to such executory contracts; be it enacted, that the said Enactments shall extend to all contracts for the sale of goods of the value of ten pounds sterling and upwards, notwithstanding the goods may be intended to be delivered at some future time, or may not at the time of such contract be actually made, procured or provided, or fit or ready for delivery, or some Act may be requisite for the making or completing thereof, or rendering the same fit for delivery.

VIII. And be it further enacted, that no memorandum or other writing made necessary by this Act shall be deemed to be an agreement within the meaning of any Statute relating to the duties of Stamps.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first Meeting of the Legislative Council of India, after the 23d day of June next.

T. H. MADDOCK,  
Secy. to the Govt. of India.

Barrackpore	Jehanagore	The mid-day despatch will convey letters, newspapers, &c. for the stations noted in the margin, thus giving them an advantage of 11 hours over the night Mail. The hour most suitable for despatching the second daily Mail from Khamrah will be fixed by the local Post Master, so that, similar convenience may be afforded to the Public, by a saving of 12 hours, more or less, in the arrival of letters, &c. in Calcutta from the stations specified.

It has not been found expedient to extend the double despatch on this line of Dawk route, beyond Khamrah, as the great increase of expense for the maintenance of the additional establishment which would thus be required, would not be compensated for by the advantage likely to be gained.

Arrangements are making for adopting a similar double despatch, along the whole line of Dawk route, from Calcutta to Kurnaul, which will, probably, be brought into operation by the 1st of February next; but of which, further notice will be given, hereafter.

Letters for the stations specified which may be intended for transmission by the mid-day Mails, must be delivered at the General Post Office between the hours of 10 and 11½ A.M.
